REVENUE BOARD OFFICE MADRAS.

# Proceedings of the Board of Revenue

(Land Revenue),

*Dated* 8 September 1896.

No. 2447 Miscellaneous.

READ the following letter from the Collector of Salem, dated 24 August 1896, Rep. No. 1326 ces.

Mr. Early Norton has applied under the waste land rules for a block of land measuring 7.63 acres in the Chennadum village, on the Shevaroy Hills. This was surveyed in 1866 at the instance of Mr. C. Walker and was purchased by Mr. Beaumont at the auction for a sum of Rs 7. It appears to have passed afterwards to Major Hunter and on his death it was relinquished

in

in 1887 by the administrator of his estate. The plan of the land prepared by the Survey Department in 1866 and a copy of the title deed are available. I have the honor to request orders as to whether the land should now be sold, under the waste land rules, at an upset price equal to the value of tree growth and the cost of fresh plans required or dealt with as an ordinary darkhast land. I do not find any thing in the rules on the point. If applications are received for assessed lands that have been relinquished, they are again disposed of under the darkhast rules and by analogy, I am of opinion that the land applied for by Mr. Eardley Norton should be sold

sold under the waste land rules.

---

Resolution

The Board concurs in the Collector's opinion, that the land in question should be sold under the waste land rules
