Sir,

Adverting to the lease deed printed in Board's Proceedings No 264 Forests dated 2nd May 1895. I have the honour to enquire whether it was the intention of Government that sandalwood trees should not be felled by the planters but should be reserved as the property of Government.

2. It is stated in the form of lease deed that the lessee "will not grant or sell to any person or persons whomsoever the right to fell or remove any sandalwood trees". This I think does not forbid the lessee to fell and remove the trees himself. The District Forest Officer informs me that the planters have not taken it as forbidding the lessee to fell and remove the trees himself and that under the terms of the lease many of the Sandal trees will be felled at an early date.

I have &c.

2. The Collectors view in para 2 is, I think, correct. I presume the Planters have paid the value of the trees.

Proceedings of the Board of Revenue

(Land Revenue).

Forest NO 253 Misc dated 10th March 1897

Read the following endorsement of the Conservator of Forests, Central Circle, dated 2nd March 1897, NO.1256, on - letter from the Collector of Salem, dated 23th February 1897, NO.149/D&G.

Forwarded.

2 The Collector's view in para 2 is, I think, correct. I - presume the planters have paid the value of the trees.

Resolution.

The Collector's view is correct.

3 The provision in the lease for the payment of the value of all forest trees and other forest growth upon the devised premises, prior to felling or removal, contains no exception in respect of sandalwood, and was not intended to do so. There is no Government monopoly of sandalwood as in former years.
