Sucharama Pillai one of the joint
Puttadars purchased them. Another puttadar
Govinda Pillai died & the appellant
is said to have got his property through
a will. He appealed to the Head
Assistant Collector against the sale
on the grounds that there were no
arrears against Govinda Pillai and
that lands belonging to his share
and in his enjoyment had been
sold for arrears due by joint puttadars
and bought in by a brother of one of them
at a low price. The Head Assistant
Collector dismissed the appeal and hence
this appeal to this office.

As the formalities required
by law do not appear to have been
properly observed and as there is
reason to suspect that every thing
was not done properly with a fraudulent
intention from a brother of one of the
defendants having bought the land
sold at a price less than it is said
to be worth. I order that the sale be
cancelled.

PETITION

REVENUE DEPT.

70.

The Government of Madras

The humble petition of Nina
Srinivasa Pillai a ryot of Valayamadur
Chidambaram Taluq, South Arcot District
Most respectfully sheweth:—

1. That puttah no 51 in the village of Vala-
yamadur was originally held by three
persons jointly viz Nina Subramanian
Pillai, Audi Lakshmi Ammal & Millai
Govinda Pillai. The 7.73 acres of land
comprised in the puttah viz Peimash
nos. 495, 501, 508 & 500 were sold to the
petitioner in public auction for arrears
of Revenue on 10.3.83 for Rs 100/-. At the
time of the sale Rs 15/- were deposited by
the petitioner & the remainder Rs 85/- with
one receipt for sale Certificate were
remitted into the Taluq Treasury at
Chidambaram by the Petitioner on
2-5-83 in Challan no 84. The petitioner
was also put in possession of the lands.
The receipt for the deposit of Rs 15/-
given by the officer who conducted the
sale & the Challan remitting Rs 85/-
are herewith enclosed for perusal.

2

That the puttadar Millai Govinda Pillai
appealed

appealed to the Collector for setting aside the sale on the ground that the sale is fraudulent and informal.

The Collector in his proceedings no 83 dated 30th August 1883 cancelled the sale and the amount paid by the petitioner (original purchaser) remained in deposit. Copy of the above proceedings is herewith submitted for reference.

3. That on the 9th November 1885 Peimash nos 500, 501, 495, 496, 508, 858, 859, 864 & 971 acs some lands in addition to those purchased by the petitioner in 1883 were again sold in public auction for arrears of Revenue and purchased by the petitioner for Rs 107-8-0. The petitioner deposited Rs 16-2-10 at the time of the sale & prayed the Collector that the remainder Rs 91-6-0 which the petitioner had to pay as purchase money may be made out from the balance of Rs 101/- which stood in deposit in his favor at the Taluk Treasury and the balance of Rs 9-10-0 may be credited to his putlak for that Fash.

4. When matters stood thus notice was issued that the lands are to be resold for non-payment of purchase money. The petitioner thereon applied both to the Collector and to the Head Quarter Collector that the lands should not be resold. And

and that the balance at the Taluk Treasury should be credited in ^{his} ~~my~~ account towards the purchase. The Collector transferred the petition to the Head Quarter Collector who in his turn to the Tashildar & the petitioner was informed that refund application had been submitted and the order of re-sale had been kept in abeyance.

5. While matters stood thus pending the refund order of the Board of Revenue, Peimash no 496 acs the land already purchased by the petitioner was again brought to sale for arrears of Revenue. The petitioner applied to the Collector objecting to the resale, but no sort of reply was given to him. Petitioner also enquired about the refund application but was told by the Tashildar that it will take a long time before sanction could be given for the refund by the Board of Revenue and that the petitioner may rest assured that nothing will go amiss.

6. That while the application for the Confirmation of the sale by the petitioner & the recommendations thereon for the refund of the amount already deposited in his name were pending before the Board of Revenue, about 5 acres of land in Peimash nos 531, 525 & 493 belonging to the same putlak no 51 were again sold for arrears of Revenue of that year for which lands were already sold.

sold and purchased by the Petitioner
This is the mischief of one Stripatidhar
the late Kurnam of the village and some of
the Taluk officials. When for arrears
of Revenue of a puttadar some lands
in the puttah were sold in one year
& when purchase money has already
been paid into the Taluk Treasury
it is for your honor to judge, how the
Taluk officials are justified in bringing
up some other lands in the same puttah
for sale for the same arrears of Revenue
meanwhile taking up the lands already
sold for Government at the low Govern-
ment rates. The procedure of excluding
the lands from the hands of the purchaser
Combined with the long delay in the
Revenue Board officers in disposing of
refused application tended to make
the petitioner a great loser. He neither
got the lands nor the amount which he
originally deposited in the Taluk Treasury
as purchase money.

7. The Board of Revenue in its
Proceedings no 2782 mis dated 5-5-93
refused to ~~keep~~ confirm the sale in which
the petitioner purchased the lands on the
ground that the Petitioner did not
bring up his claim in time and that
the village accounts were destroyed.
Petitioner most humbly begs to state that
he was never idle at any time on this
account but that he was pestering
the officials with petitions in vain
and that for the idleness of the officials an

an honest poor ryot who purchased
lands in public Auction Confiding in the
justice of the British Administration
could not be made to be dispossessed
of the lands purchased by him.

8. That some of the lands in Paimash
no 508 so taken up by Government
has been sold again & purchased by
one Vickunda Valayudam Pillai of
Valayamadur & some of them are in
the possession & enjoyment of the puttad-
dar Thillai Govinda Pillai himself.
The Petitioner begs to say that even though
his original purchase in 1883 be resolved
to be fraudulent & informal owing to
arrears of Revenue having been in
his brother's puttah during his lifetime
the 2nd purchase made by him in 1885
was not at all invalid as at that time
Petitioner's brother was not alive and
as at that time the lands ^{had} passed away
to strangers with whom neither the
Petitioner nor his brother had anything
to do.

9. That the opinion of the Board of Revenue
that the Petitioner failed to bring up his
claim ^{in time} is wrong because the order
communicating that refused applica-
tion has been made was received
by the Petitioner so far back as
March 1886 but the proceedings of the
Board of Revenue is dated 5-5-1893
your honors will thus see that it is not
the Petitioner that is to blame but
that

that it rests either with the officials
of the District or with the Revenue
Board.

Therefore the humbly Petitioner
humbly prays the Honble Government
will be pleased to confirm the
sale of the lands in 1885, to direct
the refund of the amount now in
Treasury at Shidambaram to be
credited to his account towards
the sale and also to direct that
the petitioner be put in possession
of the lands.

For which act of kindness
Petitioner will ever be bound to
pray.

He remains Most Respectfully
Your honours' most obedient
and humble servant.
