Sir,

With reference to the indent for stores for the Salt and Abkari Department, received with your letter No.5 of 20th January 1937, I have the honour to inform you that the demand for 10 large single stem hydrometers is not sufficiently explicit to ensure a suitable supply.

I have therefore to request that I may be informed as to their size and the range required.

It is presumed that they should be made of glass, but I shall be obliged if you will state your wishes on this point.

I have the honour to be, Sir,

Your obedient Servant,

E. GRANT BURLS.

Director General of Stores.
