It does not appear that a note was issued in 1890. Sec 18 does not insist on any note being issued. It has however been the practice of late to issue notes in all such cases.

Sanctioning the grant of a piece of — measuring 54 cents on the top of the Udayagiri hill in the Nellore district to the Rev. Mr. Hawkins as a hot weather resort on the same terms as those on which a similar grant was made to Mr. Burditt in G.O., No. 33, Revenue, dated 14th January 1890, and requesting the Board of Revenue to submit for the approval of Government the usual draft notification under section 18 of the Forest Act.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Forest Mis. No. 201, dated 26th February 1897:—

Read—the following letter from W. S. MEYER, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated 16th February 1897, Ref. No. 3933, 4308, Forest:—

I have the honour to forward, for favourable consideration, an application for a piece of land measuring 54 cents on the top of the Udayagiri hill presented by the Rev. Mr. Hawkins, now living in Atmakuru.

2. The site is applied for for use as a hot weather resort in Udayagiri, the only sanitarium in the very relaxing climate of this district, and the application may, I consider, be granted under section 18 of the Forest Act.

3. In their Order No. 33, dated 14th January 1890, embodied in Board's Proceedings, Forest Mis. No. 82, dated 27th January 1890, Government sanctioned a grant on this hill of a piece of land applied for for the same purpose by Rev. Mr. Burditt.

4. A sketch of the reserve showing the position of the land applied for is enclosed. The plot in question is marked with two crosses (X X) and that already granted to Mr. Burditt with one (X).

5. I propose to treat the land as an enclosure within the reserve with right of way.

ENCLOSURE.

From Rev. Mr. J. S. HAWKINS, Missionary at Atmakuru, to the Collector of Nellore, dated Udayagiri, 11th May 1896.

I hereby make an application to your honour for a piece of ground situated upon Udayagiri hill about a furlong south of the present Mission bungalow on the east side of the hill, the area of which I cannot accurately state. This is a flat piece of ground which will make a good place to erect a small bungalow upon. I desire it to build a house upon to live in during the hot season. My station is Atmakuru, 30 miles distant, so that this hill will make a very agreeable place to take my family during the hot months of May and June. If you will grant me this ground I can begin work this hot season, while I am here. Therefore I would consider it a great favour if you can grant me the ground.

Endorsement by E. P. POPERT, Esq., Conservator of Forests, Central Circle, dated Camp, Madanapalle, 22nd February 1897, No. 1216.

Forwarded and recommended.

Resolution—Forest Mis. No. 201, dated 26th February 1897.

Submitted for the sanction of Government.

2. The Collector's letter explains the case. The land may, the Board considers, be granted on the same terms as those already given to Mr. Burditt (G.O., No. 33, Revenue, dated 14th January 1890).
