ENCLOSURE No. 2.

From W. C. McMURRAY, Esq., Forest Settlement-officer and Special Deputy Collector, Cuddapah, &c., Districts, to the Collector of Cuddapah, dated Gudiyattam, 25th March 1896, No. 99.

I have the honour to report the conclusion of the settlement of the proposed Tummalur extension reserved forest blocks Nos. 82 A and B in the Cuddapah taluk of your district.

2. The notification under section 4 proposing to constitute these areas into reserved forests appeared in the *Fort St. George Gazette*, dated 31st July 1894, and the proclamation under section 6 was published in the supplement to the District Gazette, dated 4th September 1894.

3. The blocks were perambulated, inspected and inquired into by me in January 1896. Sixteen claims in all were filed for the following rights :—

- Four claims were to right of way over a cart-track and three foot-paths.
- Two claims were to right to a shrine and right of way to same.
- Nine claims (six relating to same rights) were to Government patta and inam rights over 50⁸⁸ acres of land.
- One claim was to miscellaneous rights.

4. The claims involved in items Nos. (i), (ii) and eight claims in item (iii) were admitted and the rest were rejected. The last claim was disposed of on the 17th instant and the appeal time will expire on the 16th proximo, but to save delay the final report is now submitted, as the rejected claim did not relate to a right but only to a concession.

5. The block is thus free of all rights except those admitted above.

6. The following are sent herewith:—

- B. Register of claims.
- Draft notification under section 16.
- Numerical statement of claims filed and disposed of.
- Sketch of the block.

7. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

8. Certain portions were excluded at the instance of the District Forest-officer as marked in the map opposite the villages of Chinalapenta and Nagayapalli for the communal purposes of the villages concerned.

RESOLUTION—Forest No. 71, dated 20th February 1897.

The draft final notification received with the letter read above will be submitted to Government for approval and publication in the *Fort St. George Gazette*.

2. (a) *Claim III of Tummalur block A.*—According to the sketch-map, the cart-track, which has been allowed at settlement, enters the reserve at the north-east, and not the north-west, corner of survey No. 23; moreover, its distance within the forest does not come to five furlongs, as given in the register and draft notification. The necessary correction has been made in this office. The cart-track in question being very close to the reserve boundary, it should be diverted along the boundary line when cleared.

(b) *Claim III of block B.*—It is observed that there is no specific order on this claim. As the path in question leads to a shrine which expressly excluded from the reserve, the path is no longer necessary. The Forest Settlement-officer should have added a note to this effect. Such omission should not recur.

3. The block covers an area of 2,804 acres and may be declared "reserved" from 1st June 1897.

ENCLOSURE No. 2.

From W. C. McMURRAY, Esq., Forest Settlement-officer and Special Deputy Collector, Cuddapah, &c., Districts, to the Collector of Cuddapah, dated Gudiyattam, 25th March 1896, No. 99.

I have the honour to report the conclusion of the settlement of the proposed Tummalur extension reserved forest blocks Nos. 82 A and B in the Cuddapah taluk of your district.

2. The notification under section 4 proposing to constitute these areas into reserved forests appeared in the *Port St. George Gazette*, dated 31st July 1894, and the proclamation under section 6 was published in the supplement to the District Gazette, dated 4th September 1894.

3. The blocks were perambulated, inspected and inquired into by me in January 1896. Sixteen claims in all were filed for the following rights:—

- (i) Four claims were to right of way over a cart-track and three foot-paths.
- (ii) Two claims were to right to a shrine and right of way to same.
- (iii) Nine claims (six relating to same rights) were to Government patta and inam rights over 50.88 acres of land.
- (iv) One claim was to miscellaneous rights.

4. The claims involved in items Nos. (i), (ii) and eight claims in item (iii) were admitted and the rest were rejected. The last claim was disposed of on the 17th instant and the appeal time will expire on the 16th proximo, but to save delay the final report is now submitted, as the rejected claim did not relate to a right but only to a concession.

5. The block is thus free of all rights except those admitted above.

6. The following are sent herewith:—

- (a) B. Register of claims.
- (b) Draft notification under section 16.
- (c) Numerical statement of claims filed and disposed of.
- (d) Sketch of the block.

7. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

8. Certain portions were excluded at the instance of the District Forest-officer as marked in the map opposite the villages of Chinalapenta and Nagayapalli for the communal purposes of the villages concerned.
