Proceedings of the Board of Revenue

(Land Revenue)

Forest NO 803 Misc,dated 15th August 1897

Read letter from the Collector of Nellore,dated 31st July 1897,Ref.NO 98/For.

Resolution.

The map referred to in item (a) of the Collector's letter read above is not forthcoming in the Board's Office.It presumably showed the positions of all the taluks in the District.It was finally received from the Collector with his letter NO 131,dated 17th June 1861 and is not likely to be in the Government Office as there is no indication of its having been sent on to Government with Mr.Pelly's letter NO 950,dated 24th June 1861.The Government will,however,be requested to order a search for the map in its office records. There is a sketch in this office submitted by the Collector with his letter NO 36 dated 26th February 1861.This sketch represents only the country round Kanigiri and the Kasbah of Kanigiri was fixed with reference thereto,(Vide Mr.Pelly's Endorsement to Collector NO 791 dated 20th March 1861).As the hill under dispute lies in Kanigiri this sketch will be forwarded to the Collector for such use as may be considered advisable.The statements referred to in item(C)will also be forwarded to the Collector.

2 The map alluded to in the Collector's item (b) was forwarded to Government with Mr.Pelly's letter quoted by the

Collector, but does not appear to have been returned with G.O.NO 915, dated 2nd June 1860. Government will now be requested to forward it to the Collector direct, if found amongst its records. The map alluded to in Mr. Pelly's letter to the Collector NO 635, dated 9th November 1860 and said to have been lost is referred to in para 13 of the Collector's letter to Mr. Pelly NO 182, dated 5th November 1860 and it is not clear whether this map and that submitted to Government as stated above are identical.

G.O.R. No 1594 dt 26 Augt 97

It is observed from the entries made in the original of G.O. no 913 & 22 June 1860, that ten enclosures were received along with Mr. Pelly's letter No 232 & 27th March 1860, and returned to that offices with the G.O. The map referred to by the Board in para 2 of its Proc under reference must have been therefore on of them.

With his second letter No 950 & 24th June 1861, Mr. Pelly forwarded to Govt. No enclosures and no map was received with it.

A careful search has, however been made in the records of this office but the maps are not to be found.
