Forwarded to Government for information with reference to P.C. dated 26th February 1897.

Order No. 500 H, dated 18th March 1897.

On further ~~read~~ consideration, His Excellency the Governor in Council has resolved to appoint a sanitary station under No. 14 of the municipal regulations under the Epidemic Diseases Act. The following notification will accordingly be published in the Port of George Station:-

### Notification.

The Governor in Council hereby appoints the Railway Station at Durban in the Eastern District to be an inspection station under No. 14 of the regulations prescribed for the District Municipalities and towns and villages under the Epidemic Diseases Act, 1897.

2. The Collector of Durban is requested to take steps at once to provide some hospital and accommodation near the railway station at Durban. To start with, it seems sufficient if there be provided one male and one female hospital built in Durban and Durban to accommodate, say, two persons in each; one male and one female hospital for natives to accommodate, say, four persons in each; with the same number of accommodation beds. Care should be taken to select a site where there is a good and sufficient water supply and if there are any buildings near this site they may be made useful for the accommodation of Medical officers and stores.
