Proceedings of the Board of Revenue

Revenue Settlement, Land Records and Agriculture.)

Dated 23rd March 1897.

No. 2142 (Miscellaneous).

Read the following letter from the Collector of Kurn
dated 4th March 1897 No. $\frac{664}{\text{Eng}}$ of 97:—

Referring to para 3 of B.O.
No. $\frac{1427}{\text{Mis}}$ dated 24-2-97, I have the honour
to state that the figures given in the
office copy of the list of small relief
works tally with those entered in the
table at the top of the map as shown
in the enclosed statement and to
request that any error that may be
noticed in the fair copies of the list
and the maps already submitted
to the Board may be ordered to be
corrected

erected in accordance with this
statement.

Resolution.

Recorded with the remark
that there is nothing in the table
at the head of the map to show
that the figures given therein relate
only to small works. A heading or
a note to this effect should have
been inserted.
