Pattapu Warappa is the opium dealer
of Pampa Chodavaram for the year
1894 & 1895.

Complainer: Baduganti
Subbaya of Kottapalli, complained
against him to the Police of the Choda-
varam station accusing him of having
sold him opium for one quarter of a rupee
at 3 tolas a rupee and when he asked
him as to why he would not sell it at
3 1/2 tolas ~~only~~ as rules require him, he said
that he would sell it at 3 tolas only and
if he liked he may buy it from him or if
not he may not buy it. The Police Head
Constable reported that when the Com-
plaint was made to him in the Pampa
market, he immediately went to the
Izardar and asked him the reason why
he would sell it at 3 tolas and also
requested him to show him the license &
thereupon the Izardar went home to bring
the license but never returned.

The Head Constable sent
me the report as he thought the case
falls under 417 I. P. C. but I took it up
under opium Act 1 of 1878 Sec 9. From the
above report it is apparent that on the
complaint made to the Head Constable
he enquired all the other prosecution
portneesses

them as witnesses.

Some witnesses:-

1. Baduganti Subbaya.
2. Sankada Ramadaju
3. Varikute Appadu -
4. Bandaru Surayya.
5. Rata Hanasole
6. ^{Jaya} Jayapurapu Lakshminudav.
7. Chinnani Malladu.
8. Varikute Chinnadu.
9. ^{Jaya} Jayapurapu Swamy -

are examined on behalf of the Prosecution. The first who is the Complainant deposes as stated above and further says that S. Ramadaju the 2nd ^{Witness} 1920 was present at the opium shop when he bought opium & had the dispute with the Izaradar. 2nd & 4th ^{Pro} ^{Wits} - Sankada Ramadaju & Bandaru Surayya corroborate with the above in the deposition he makes and also with the Izaradar's statement in all that he mentioned in his report and further states that they always bought the opium from the Izaradar at 3 tolas a rupee - being under the impression that it is the order of the Government to sell it at that rate. These witnesses are very

very sharp and I think the Izaradar had really sold them stuff at 3 tolas a rupee, they would not have waited even a minute without bringing it to the notice of the Police when they went every day or in case they had bought it, the Police might not have not taken notice of it till now

The other witnesses - viz - the 5th, 6th, 7th, 8th & 9th swear that the Izaradar sold them opium always at 3 tolas & that they being ignorant of the rules, did never complain to the authorities - about the same. These are Panchemas, and being poor they say that they bought at a time only one or two annas worth.

From the depositions of these 6 I am constrained to think that the accused had really done them the mischief complained of as he in his defence admits that he always sold the opium by weight for amounts upwards of annas two and by guess cutting it into pieces for small amounts and that these witnesses having no means to get it from any other place and poor as they are not having the boldness to ask the Izaradar to weigh it have quietly received it from him though they found it

The accused pleads not guilty and stated that the Police asked him for mamools and as he did not give them the same they put up all the witnesses and made them depose so against him.

He examined witnesses:-

1. Moola Balireddi, agent of the minor Muthadar of Geddada.
2. Vuggirala Komati.
3. Punda Sammayya, inhabitant of Geddada.

These 3 depose that the accused always sold them opium at $3\frac{1}{2}$ tolas a rupee. I believe what these witnesses say. They are well-to-do people and in consequence I think the accused has really sold them at $3\frac{1}{2}$ tolas lest he would be caught then & there; and I am also at loss to know why the Police who go to Pampa on every market day, came to know of this oppression only when the present complaint was made to them. From all the above, I am of opinion that the accused has really sold the

the opium to the 3 raneam at 3 tolas a rupee when the opium to sell at $3\frac{1}{2}$ tolas in the Agency trade and therefore as a warning to the accused and also to all the other Izaradars in the division under the above Act and Section I fine him in a sum of Rs 10/-

existing practice of issuing free licenses in certain instances does not appear to be covered by the General opium rules, the Collectors of Goujam and Godavari will be requested to submit draft special rules at an early date embodying this and any other provisions which they deem necessary. The license issued to opium shopkeepers in the Goujam Agency tracts is in form No. IV appended to the General opium rules. Copies of the licenses at present issued in the Agency tracts of the other two districts and their draft submitted as directed. These licenses need not be submitted to the Government of India for sanction, as Government is content to approve of their form under Rule XXXI. It is observed however, that some of the conditions contained in them are contrary to the provisions of the Opium rules and these conditions must therefore be sanctioned by the Government of India as special rules, before they can be legally enforced. Revised forms of all these licenses will be submitted to Government along with draft special rules for the Agency tracts in the three districts on receipt of further information from the Collectors.

5. As regards the third point, viz. whether the conviction should be set aside as illegal - Section 9 of Act I of 1878 makes contravention of the Act itself or of rules duly made and notified under it punishable. It therefore follows that a conviction under this section should be either for a breach of the Act itself or of the General Rules notified under Sections 5 and 13 of the Act which are known as the "Opium rules for the Madras Presidency". In the present instance the licensee violated a condition of his license which was fixed by Government under the power vested in it by Rule XXI of the Opium rules and must therefore be held to have violated Rule XXI itself - vide Government Order No 346 Revenue, dated 16th May 1888 (Communicated to boards - Proceedings No 305 (S.R.) dated 11th June 1888). As the condition under reference was inserted in the license with the approval of Government long after the rule was sanctioned and as there is no provision in the Act or rules regarding notifying the exact prices fixed, the Board considers that all legal requirements in respect of the condition have been fulfilled, and fails to see how the conviction under reference can be set aside as illegal.

6. The special rules framed for the Viragapattam Agency tract and referred to in Para 3 Supra have evidently not been sanctioned by the Government of India. Rule No 4, has been ordered to be omitted as obsolete - vide Board's Proceeding Order thereon No 126 Revenue, dated 8th February 1888. The Collector will be requested to report whether the remaining four rules answer all requirements and whether any additional rules have been framed for the Godavari Agency. No special

Vis No 4962.

Dated 30th November 1896.

Read letter from the District Magistrate of Godavari, No 554, dated 22nd September 1896, submitting Special Assistant Magistrate's No 1308 forwarding two printed forms of Opium license No 99.

Read also Memorandum from Government No 211, dated 7th October 1896.

Resolution

In reply to Government Order, Vis No 2369, Revenue, dated 17th June 1896, the Board begs leave to submit Copies of the Chovaram Sub-Magistrate's judgment referred to, and of the Opium license form in force at the time in the Godavari Agency tracts, and to report as follows.

2. The District Magistrate, Godavari is of opinion that the Agency tracts are excluded from the operation of the General opium rules, that the Special rules for the Agency tracts approved in Government Order No 848, Revenue, dated 18th October 1889, have not received the sanction of the Government of India as required by Section 5 of the Opium Act, and that in consequence the conviction under reference which was for breach of one of the conditions in the special rules must be set aside as illegal. These points will be dealt with separately.

3. The preamble to the notification in which the General Opium rules have been published lays down that "excepting as in any case expressly provided, these rules shall apply to all the territories administered."

administered by the Governor of Fort Saint George in Council." It has not, however, been "expressly provided" anywhere that the Godavari Agency tracts are excluded from the operation of the General opium rules. In its Proceedings No 51, dated 17th January 1881, the Board proposed certain special rules for the Agency tracts in all the three districts of Ganjam, Vizagapatnam and Godavari, but the Government sanctioned the rules only as regards arrangements then existing in the Agencies of the other two districts as they were. Even in the Vizagapatnam Agency tracts the Special rules sanctioned only modify the general rules in certain respects but do not entirely supersede them - vide para 3. of Government Order No 234, Revenue, dated 4th February 1881. The General opium rules apply to the Agency tracts. It will be observed in support of the view that the licence issued to shopkeepers in these tracts makes mention of Rules VI, XIV and XXVII of the General rules - vide the preamble to the licence form forwarded herewith.

4. The so called "special rules" referred to by the District Magistrate as having been sanctioned for the Godavari Agency tracts are only conditions of licence and expressly referred to as such both in Board's Proceedings No 278, dated 5th August 1889, in which they were proposed and Government Order No 848, Revenue, dated 18th October 1889, in which they were approved by Government. This being the case, the local Government was competent to prescribe conditions of licence under Rule XXXI and there was no necessity for obtaining the sanction of the Government of India therefor, provided that the conditions do not in any way conflict with the General rules.

G.O. No. 160 of 11th Jan'y 1897

The Board's proceedings not read alone will be communicated to the District Magistrate Godavari with reference to his letter dated 9th October 1896 on current No 740 of 1895. The Govt. considers the conclusions drawn by the Board in paras 2-4 of its Report to be correct.

To the Board (S.O.)
" District Magistrate

For Orders

An opium vendor in the Agency tracts of Godavari was convicted by the Sub-Magistrate of Chodavaram for selling opium at three tolas a rupee, when the maximum price fixed by his licence was three tolas and a half per rupee. The Coll^y had doubts as to whether the conviction was legal and submitted the case for orders.

2. The Coll^y assumes these positions:
 - (1) That the ordinary opium rules do not apply to the Agency tracts of the district;
 - (2) That certain special rules were framed for the tracts in G.O. 848 of 18 Oct. 89; and
 - (3) That the latter rules were not sanctioned by the Govt. of India - vide S. 5 of the Opium

Act.

[Note - The conviction in question was for a breach of one of these rules]

3. The Board of Rev in paras 2-4 of the current read above points out that the col's position cannot be maintained. As the points are clearly set forth in the current, it is unnecessary to repeat them here. The conclusions are that the general rules are applicable to the Godavari Agency, that the col's calls special rules are only conditions of the license that they can be prescribed without reference to India and that the conviction cannot be set aside.

4. It is submitted that the conclusions are correct and that they may be communicated to the D. Magistrate, Godavari.

5. In para 3 the Board takes up the question of special Rules and calls upon the col's of Ganjam, Vijayapatnam and Godavari for reports on certain points. This calls for no action on the part of Govt at present.
