REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 9th March 1897.

No. 1771 (Miscellaneous).

READ ..... Statement from the Collector of Cuddapah dated 19th January 1897, Cur. No. 337 of 1897 and Report on C. No. 2367/Rev. of 1896.

Resolution

Submitted for the orders of Government.

2. In the Statements read above, the Collector of Cuddapah reports on two cases of loans granted in the Badvel Taluk, one under the ordinary rules and the other under the special well rules in which the balances due are stated to be irrecoverable.

3. In these cases, loans amounting to Rs. 150 and Rs. 400 were granted on the security

Security of certain lands originally esta-
-mated at Rs 250 and Rs 530. The borrowers
having failed to execute the works within
the time allowed, Summary recovery of the
loans was ordered, and when the lands and
the available moveable property of the borrowers
were brought to sale, they fetched only Rs 36-12-0
and Rs 33-12-0. The lands pledged as Security
in the second case are reported to have been
bought in by Government for want of bidders.
The amounts realized in both the cases were
credited to interest with the exception of Rs
2-4-7 which was credited to arrears of
Land Revenue in the first case. Including
interest there are balances amounting to
Rs. 150-11-1 and Rs 432-9-0 Still due by the
~~poor~~ borrowers and there is no means of realiz
-ing the amounts.

4. The grant of the loans in these cases
was due to an overestimation of the value
of lands pledged as Security. The Collector
reports that the Revenue Inspector who
conducted

Conducted the enquiry was new to the work and relied on the Statements of Village officers and that the Tahsildar who recommended the loan acted on the recommendation of both. The Collector Considers that none of these persons Can be held to be pecuniarly responsible.

5. In these circumstances, the Board supports the Collector's recommendation that the amounts may be ordered to be written off the accounts.
