Proceedings of the Board of Revenue

(Separate Revenue),

Dated 20th December 1896.

Mis. No. S 23 S.

Read the following letter from the Deputy Commissioner Southern D. No. 5995 dated 7th December 1896 "with reference to para 2 of the Board's resolution contained in Board's Proceedings Mis No 4173 (S. R.) dated 3rd October 1896, I have the honor to state that the Assistant Commissioner reports as follows:-

The theft case that happened in this fish curing yard which ^{occurred} ~~occurred~~ this remark of Government was investigated by the Superintendent of Police and the Inspector of the Adirampalam Circle. Both these Officers came to the conclusion that the yard fence was not present at the time of the occurrence and the story of 5 men getting into the yard overpowering him and taking away salt is a concoction on the part of the men to save himself from trouble. In fact nothing was found out in the investigation regarding the actual,

actual culprits of this mischief nor do the probabilities point to the fish curers being concerned in the affair. But it was the duty of the curers of the yard to render all assistance to trace out the culprits and this they not only failed to do, but aggravated the fault by some of their shielding the persons from punishment in Magistrate's enquiry by their perjured statements. With a view to teach them a lesson I recommend that the yard may be closed for 3 months as a punishment.

2. I agree with the Assistant Commissioner in considering that it would have a good effect if some such punishment as that recommended by him were imposed.

Resolution

The Assistant Commissioner's proposal supported by the Deputy Commissioner to close the deathly fish curing yard for a period of three months is approved. The reason for taking this step should be clearly explained to the curers.

2. A copy of these proceedings will be submitted to Government for information with reference to para 2 of G.O. No. 3802, Revenue, dated 23rd September 1896.
