SUBJECT.

Reporting on the Relief works that have been started at Jeeragunta and Kempalle, Cuddapah Dt.

I saw Mr. Tate and Mr. Campbell at Cuddapah. Their relations were evidently a little strained. I think these papers might be recorded.

my dear Tate,

I am directed to invite your attention to the letter in the 'Madras Mail' of the 18th Feby. under the heading 'Murkland distress in Cuddapah' and to enquire what truth there is in the allegation made therein.

Yours truly

My dear Mr Stokes

Your D.O of 14th or 18th (for the date has been altered) has just reached me today. I wish to refer to some official papers as the time about which information is wanted is more than a month ago. I shall

by friend my reply
tomorrow.
As for the tract of country
between Jerraputta &
Kumpalla — one of those
mentioned by Mr.
Campbell — I may say
at once that I had
ordered works to be
opened in it on 11th

Febry — 5 days prior to the
date of Mr Campbells
letter — and as he seems
to get information from
my subordinates I cannot
think he was ignorant
of the same. He never
gave me any information
or communicated with
me in any way before

sending his letter to the Masters Mail, and this I think shows a want of good faith, for he is well aware how business is carried on. There always has been many hopes work where one is wanted to be really needed. The figures during Feb.y will show I believe that there has no demand for

increase I mark them, but I shall reply fully after seeing my papers.

Just now people are ~~increasing~~ rapidly on our marks, as I always anticipated they would if mine held off in Jan.y & Feb.y. I have written officially about increasing the D. P. W establishment

Le

h in the District, and
I am very anxious to
get the extra establishment
soon
as works should be
increased at once
if the necessary supervision
is not available.

I remain

yours truly

H C Bliss
