GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 764, dated 1st March 1897 :—

Read—the following letter from W. H. WELSH, Esq., Collector of South Canara, to the Secretary to the Commissioners of Land Revenue, dated Kollur, 12th January 1897, Dis. No. 26-Ver. :—

With reference to Board's Proceedings, Routine No. 2631, Land Revenue, dated 25th September 1896, I have the honour to report that, as required therein, a notice (copy enclosed) of the proposed transfer was published in the District Gazette two months' time from its date, i.e., 9th October 1896, being allowed for receiving any objections. Now more than two months have passed not only from the date of notice but also from the date of its publication in the District Gazette, i.e., 7th November 1896, and no objections have yet been received. I have therefore the honour to request that sanction may now be obtained for the transfer.

2. The draft notification returned with the Board's Proceedings under reply is herewith resubmitted.

ENCLOSURE.
Notice.

As it is proposed to effect the transfer of the villages named in the following table from one taluk to another, the undersigned will be prepared to consider any objections to the proposed transfers, should they be submitted by the concerned villagers within two months from this date :—

Survey number.	Names of villages proposed to be transferred.	From				Taluk.	To				Reasons for the transfer.
		Taluk.	Present jurisdiction.				Taluk.	Proposed jurisdiction.			
			Sub-Magistrate.	Divisional Magistrate.	Revenue Divisional officer.			Sub-Magistrate.	Divisional Magistrate.	Revenue Divisional officer.	
1	2	3	4	5	6	7	8	9	10	11	
57	Kalavar ..	Udipi ..	..	Stationary Sub-Magistrate, Udipi.	Head Assistant Magistrate.	Head Assistant Collector.	Coondapoor ..	Stationary Sub-Magistrate, Coondapoor.	Head Assistant Magistrate.	Head Assistant Collector.	All the surrounding villages of Nalvannad Magane have been transferred to Coondapoor taluk already and the retention of this village alone in Udipi taluk is evidently an inadvertence.
32	Battila ..	Uppinangadi ..	..	Stationary Sub-Magistrate, Puttur.	General Duty Deputy Magistrate.	General Duty Deputy Collector.	Mangalore ..	Buntwal second-class Magistrate.	Head-quarter Deputy Magistrate.	Head-quarter Deputy Collector.	All the villages in the Naricombu taluk except this one have been transferred to Mangalore taluk and this village extends as a wedge between two of the villages transferred to Mangalore taluk and destroys the compactness of the charge.

Reference on the above dated 22nd January 1897.

The Collector is requested to forward the sketches returned with Board's Proceedings, No. 2631, Routine, dated 25th September 1896.

Read—also the following letter from W. H. WELSH, Esq., Collector of South Canara, to the Secretary to the Commissioners of Land Revenue, dated Shankarnarain, 1st February 1897, Dis. No. 138-Ver. :—

I have the honour to advise {despatch separately in a tin case of the sketches called for in Board's Reference on General No. 271, dated 22nd January 1897.

Resolution—Mis. No. 764, dated 1st March 1897.

The Collector of South Canara recommends the following transfers of villages from one taluk to another :—

Names of villages.			Taluk from which proposed to be transferred.	Taluk to which proposed to be transferred.		
Kalavar	...	...	Udipi	...	...	Coondapoor.
Baltila	...	...	Uppinangadi	...	...	Mangalore.

The necessity for the transfers is explained in the Collector's letter dealt with in the accompanying copy of Board's Proceedings, No. 2631, Routine, dated 25th September 1896. No objections have been raised by the villagers concerned. The Board recommends that the draft notification received with the Collector's letter first read above and showing the different changes of jurisdiction involved in the proposal may be approved and ordered to be published in the *Fort St. George Gazette*.

Proceedings, No. 2631 R., dated 25th September 1896.

ENCLOSURE.

Proceedings of the Board of Revenue (Land Revenue), No. 2631, Routine, dated 25th September 1896.

Letter from W. H. WELSH, Esq., Collector of South Canara, to the Secretary to the Commissioners of Land Revenue, Madras, dated Bevinjah, 4th September 1896, Cur. No. 2597-Ver.

In working out details for carrying out the transfers of villages from one taluk to another sanctioned in G.O., No. 831, Revenue, dated 20th December 1895, I have come across some anomalies which should, if possible, be corrected. I have therefore the honour to report the same for the orders of the Board.

2. The village of Baltila No. 32 is the only one in the charge of Narikombu tarf shanbhogue (karnam) which has not been transferred to Mangalore taluk and this was evidently due to oversight. As it is, it has been transferred to Uppinangadi taluk, and extending as a wedge between two of the villages transferred to Mangalore taluk, and included in the above shanbhogues charge, it destroys the compactness of the charge, as may be seen from the accompanying tracing (marked A) and an official would have to cross it in going from one village to another. I therefore recommend that this village may be transferred to Mangalore taluk and its revenue and magisterial jurisdiction given to Bantwal Deputy Tahsildar Second-class Magistrate who had magisterial jurisdiction over the village previous to its transfer to the Uppinangadi taluk under the above Government Order.

3. The retention of Kalavar village in Udipi taluk is another anomaly seeing (*vide* tracing attached marked B) that all the other villages of Nalvatnad Magane surrounding it have been transferred to Coondapoor taluk, under the Government Order above quoted. It is true that its retention in Udipi taluk was sanctioned by the Board (*vide* Board's Proceedings, No. 122, dated 20th March 1894); but at that time the question under consideration was the re-grouping of villages and the villages of Nalvatnad Magane of Udipi taluk, surrounding this village had not been transferred to Coondapoor. I therefore request that this village may be transferred to Coondapoor taluk and included in the jurisdiction of the Stationary Sub-Magistrate, Coondapoor.

4. Though the villages of Bayar and Chippar are in Kasaragod taluk, the magisterial jurisdiction over them is at present exercised by the Stationary Sub-Magistrate of Puttur instead of Kasaragod. It is desirable, however, that Revenue and magisterial jurisdictions should be continuous wherever possible, and that consequently the magisterial jurisdiction over the two villages should be transferred to the Stationary Sub-Magistrate, Kasaragod.

5. The whole of Sajip Magane of Kasaragod consisting of the undermentioned villages has been transferred to Mangalore taluk: 19 Padu, 20 Nadu, 21 Munnur, 22 Muda, 23 Ira; but it will be seen from the Government Order quoted at the outset that the first three villages of the Magane have been placed under the magisterial jurisdiction of the Mangalore Stationary Sub-Magistrate, while the remaining villages continue to be under the Bantwal Second-class Magistrate.

6. It is not desirable to split the Magane and transfer the first three villages to Mangalore Tahsildar's charge and the remaining two villages to the Bantwal Deputy Tahsildar's charge in order that the revenue jurisdiction may be continuous with the magisterial, because the Magane is compact as may be seen from the enclosed tracing marked C and has all along been under the same shanbhogue. The Tahsildar and Divisional officer recommend that the whole Magane, with two more villages out of those transferred from the Kasaragod taluk, should be transferred with its hereditary shanbhogue to the Bantwal Deputy Tahsildar's division. I approve of their recommendations and consider that the magisterial jurisdiction over the first three villages should be retransferred to the Bantwal Second-class Magistrate.

7. In the cases referred to in the last two paragraphs, the magisterial jurisdiction of Sub-Divisional Magistrate is not affected. I think, therefore, that I have as District Magistrate the power, under section 12 of the Criminal Procedure Code, to order the transfer of the magisterial jurisdiction over the villages concerned. I, therefore, submit draft notifications only about Baltila and Kalavar as proposed in paragraphs 2 and 3 *supra*.

Resolution—No. 2631, Routine, dated 25th September 1896.

The Collector is requested to cause a notice to be published in the District Gazette regarding the proposed transfer of villages from one taluk to another, and to send a final report (with a draft notification) embodying his remarks on any objections that may be raised by those concerned.
