REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue

(Land Revenue)

No.878 Misc.,dated 9th March 1897.

Read letter from K.C.Manavedan Raja,Esquire,Ag.Collector of Anantapur,to the Secretary to the Commissioners of Land Revenue,Madras,Ref.on C.No.2037,dated 12th December 1896.

And the following Reference thereon dated 6th January 1897

"The Collector is requested to forward the statement of valuation of the huts mentioned in the letter read above,and also the several enclosures which accompanied Board's Proceedings No.3062 Misc.,dated 4th July 1896." - are Encls. to 2328/96-6

Read also letter from K.C.Manavedan Raja,Esquire,Ag.Collector of Anantapur,to the Secretary to the Commissioners of Land Revenue,Madras,Ref.on C.No.2037 of '96,dated 14th January 1897.

And the following Reference thereon dated 22nd January 1897

"According to the schedules and plan received from the Government of Bombay,the extent proposed to be acquired on behalf of the Southern Mahratta Railway Company is 11 acres- 3 poles-2 roods in Survey Nos.60 to 65 of Dharmavaram and Survey No.556 of Kunaturu.The huts complained of are shown as standing on Survey No.65 of Dharmavaram;but according to the Collector's report and the valuation statement forwarded therewith the huts would appear to occupy an extent of 2½ acres in Survey No.122.The Collector further states that the Railway authorities want the above extent of 11 acres-3 poles-2 roods in addition to the 2½ acres in Survey No.122 in order to prevent the further erection of objectionable buildings.The Collector is requested to forward a rough sketch indicating the position of Survey No.122 and [illegible]

other Survey Nos.referred to in the present correspondence and to state whether any huts stand on Survey No.65 and if,there are, how he proposes to eject the occupants thereof.

2. As the huts alluded to in the Collector's letter stand on Government waste land and the occupation,which is believed to be recent,is clearly unauthorized,there can be no hardship in now ejecting the occupants by the imposition of a penal assessment. If, however,the occupants are willing to remove the huts of their own accord,they may be paid the cost of removal and recontruction which is estimated at Rs.286-8-0.The Collector is requested to report further on the point.

3. The Collector is requested to forward with his reply to the present Reference,the 12 enclosures returned with Board's Proceedings No.2885 Misc.,dated 8th June 1895.

Read also letter from K.C.Manavedan Raja,Esquire,Ag.Collector of Anantapur,to the Secretary to the Commissioners of Land Revenue,Madras, R.C.No.2037 of '96,dated 23rd February 1897.

Resolution

The papers read above will be submitted to Government with reference to its order No.2338 Misc.,dated 15th June 1896.

2. The authorities of the Southern Mahratta Railway Company proposed to acquire an extent of 11.76 acres adjoining the Dharmavaram railway station compound with a view to keep the neighbourhood of the station free from objectionable private buildings.The extent is made up of 9.51 acres of Government waste-land and 2.25 acres of private inam land.2½ acres of the Government waste-land are occupied by huts constructed without authority.The estimated value of the huts is Rs.662-8-0;and the estimated cost of merely removing them elsewhere and re-constructing them is Rs.286-8-0.The occupants are not entitled to any compensation as they settled on the land without permission,but in consideration of their poverty,Government would probably be willing to bear the expense of providing them with similar habitations elsewhere.It is stated however that they will not move from their present places of their own accord.The Collector is requested to intimate to them that they will be assisted in re-

huts elsewhere

of this offer,steps should be taken for their ejection by the imposition of penal assessment.

3. The cost of acquiring the Inam land is estimated by the Collector at Rs.20-12-1.The Collector will be requested to submit a draft notification for the acquisition of the land under Section 6 of Act 1 of 1894.

4. The Board considers that the inam land as well as the huts may be acquired by the Revenue Department,and that the whole area of 11.76 acres may be classed as Railway Station poramboke,and retained under the control of the Revenue Department.This course will facilitate the growth of a well-regulated railway-town in conformity with the present policy of Government.At the same time,the necessity for calling upon the Railway Department to pay any portion of the charges, which have been already objected to by the Government of Bombay,will cease.

5. The Collector will be requested to report whether the amount required for the acquisition of the Inam land and the huts can be provided from the district allotments under " 3-Land Revenue."

(True Copies & Extract)

Secretary.

To

The Secretary to Government,Revenue Department,with 3 letters & 11 enclosures to be returned.

The Collector of Anantapur.
