FURTHER PAPERS.

G.O.	No.	Department.	Date.

If a reduction in expenditure of Rs 1,01,000, only reduces the receipts by Rs 71,000, then from a commercial point of view the short expenditure is desirable. ~~Now that the order~~ This therefore for consideration, whether until the Board's further report is received, matters shd. not be left as they are. The reduction in receipts of Rs 71,000 is probably an under estimate, but if it is telegraphed to the Govt. of India, the only reply will be the remark that excess in expenditure had evidently been proposed on the first instance

Thos! Financial Dept as the reduction anticipated in receipts may materially affect the budget. 22 2/89

Proceedings of the Board of Revenue

(Land Revenue),

Dated 17 March 1896.
Forest No. 256. Miscellaneous.

READ again Board's Proceedings, dated
Copy attached 12 March 1897. Forest No. 103.

Read telegram from the Conservator
of Forests, Northern circle, dated
14 March 1897, stating that the
reduction in the charges of the
Budget Estimate for the ensuing
year will affect the Receipts.

Read also letter from E. P. Papert
Esquire, Conservator of Forests,
central circle, dated 14 March
1897, no. 31, forwarding a state-
ment showing reductions proposed
under charges and requesting
early intimation if these
reductions are to be carried out.

Read also letter from E. D. M.
Hooper Esquire, Ag. Conservator
of Forests, Southern circle, dated
14 March 1897, re. camp - report-
ing about the loss of Revenue
in connection with the
decrease in expenditure.

Resolution

The following table shows
the reductions anticipated
by the Conservators of Forests
in the budget estimate of
receipts for the ensuing
year in consequence of the
reduction of Rs. 101,000 made
by the Government of India
in the estimate of charges
(vide paragraph 3 of
G. O. dated 8 March 1897, mis.
no. 1296 Revenue): -

Budget heads of receipts.	Northern circle	Central circle	Southern circle	Total.
I (a)	Rs. 4,500	Rs. 23,500		
I (b)	8,500	19,250	7,000	28,000
I (d)	"	8,250	"	34,750
Total	13,000	57,000	7,000	8,250

2. The short receipts expected
in the central circle follow the
reductions proposed by the conser-
vator under the corresponding heads
of charges. Mr. Popert asks for
very early orders in case the
proposed reductions are to be
carried out, in order to prevent
collectors from entering into
contracts &c. He will be requested
to report whether the reductions
suggested by him under the
sub-heads of A. VII and B. VIII
cannot be increased so as to
minimize the anticipated falling
off in revenue. The Board does
not suppose that the Govern-
ment of India will insist
on a reduction of expenditure
which will be necessarily
followed by a still greater falling
off in revenue, and a reference
will be made on the point
as soon as the Board has
been informed of the maximum
reduction possible under

heads which will involve no corresponding decrease of revenue. With reference, moreover, to the remarks of the Government of India in para 8 of their Resolution, Mr. Robert is requested to explain why it was proposed to incur under I (a) and I (b), an expenditure of Rs 26,400 to secure a revenue of Rs 42,750 and to state whether arrangements cannot be made under which the net revenue of Rs 16,350 could be obtained by private exploitations without any expenditure by the Department.

3. The Conservators, Northern and Southern circles, are requested to furnish the information called for in the Board's Proceedings read again above in the following form, submitting at the same time any explanation which

which may seem necessary with reference to the remarks in the preceding paragraph:-

Budget head and sub-head	District	Reduction proposed under this - estimate.	Reductions anticipated in Revenue.
I (a)	Cuddapah	Rs 9000	Rs 15,000
	North Arcot	1000	3,000
	South Arcot	1200	3,000
	Salem	1250	2,500
I (b)	North Arcot	2500	5000
