REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 25th July 1897.

No. 5762 Miscellaneous

READ the following letter from the Collector of Madura dated 21st July 1897 R. on C 2s. 80 B3 & Est of 97.

With reference to Board's Proceedings 2s. 5486 dated 19th July 1897 received this day from the Collector of Madras to whom it appears to have been sent, I beg to report (1) that the estimate of traffic has been calculated for one year (2) that the maund used is the Indian maund of 82 2/7 lbs (3)+(4) that the estimated traffic already reported is the total including the traffic for short as well as long distances and also the reverse traffic and (5) that the figure reported to represent the number of hides and leather for Periyakulam to Kuruvanutta road, namely, 4320 actually represents their weight in Indian maunds and not the number as shown in the Statement by mistake and that the weight of 1000 hides and leather estimated for Ammayanakkanore - Periyakulam Road is reported to be

be about 200 maunds. This last estimate viz 200 maunds of hides and leather is found to be far below the mark when checked with the actual figures for the 1st week of July just received from the Tahsildar. I therefore beg that 3000 maunds which is a fair estimate may be entered instead.

2 Arrangements have already been made for the punctual Submission of the returns of traffic Statistics available up to the 20th instant. They are due in this office on the 22nd and on the 23rd they will be Submitted to the Board's office. The delay in Submitting the estimate was due to the original Statements received from the Taluks having had to be returned on account of obvious errors and is regretted.
