Read—again the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 222, dated 19th January 1897:—

As the inamdars failed to keep the well in repair, the inam was resumed and incorporated with Government ayakat under Collector's order, Dis. No. 3503, dated 25th September 1896.

Resolution—Mis. No. 222, dated 19th January 1897.

The inam covered by title-deed No. 186 was resumed by order of the Collector on the ground that it was a dasabandam inam, but according to the inam register, it is a dharmadayam or charitable inam intended "for repairing the well called *Wuru-bhair* dug for the benefit of the public." The Collector's order, No. 3503, dated 25th September 1896, is accordingly cancelled. Read—also the following letter from H. A. STUART, Esq., Acting Collector of Bellary, to the Secretary to the Commissioners of Land Revenue, Ref. on G and B No. 139, dated 13th February 1897:—

With reference to Board's Proceedings, Land Revenue Mis. No. 222-A, dated 19th January 1897, I have the honour to report as follows.

2. The classification of the inam covered by title-deed No. 186 in the B statement of lapsed inams, as "Dasabandam" being a mistake, I solicit the favour of orders for its resumption under the following circumstances.

3. It is a charitable inam * situated in the village of Chaganur in Bellary taluk and granted as an endowment for repairing a public well in that village. The well has now fallen into disrepair, and the inamdars who were given notice to

repair it within a certain period, failed to comply with it. Further, the water of the well has become brackish and unfit to drink. The Divisional Officer of Bellary is of opinion that they are not likely to undertake the repair, and recommends the resumption of the inam and the transfer of its assessment to the Taluk Board which has agreed to take the inam on condition of maintaining in the hot season a water pandal at the 6th mile 4th furlong on the Bellary-Kurnool road. The Divisional Officer, Bellary, recommends the taluk board's proposal for approval and I support him. The settlement assessment of the inam is only Rs. 14-8-0 and is too small to support a work of greater public utility.

4. A copy of the taluk board's resolution is submitted.

Resolution—Mis. No. 736, dated 26th February 1897.

Submitted for the orders of Government.

2. The Board supports the Collector's recommendations.
