FOR ORDERS.

I think this should be sent to the Famine Comm^r for report. I am not sure, however, that there is anything wrong. If a man gets 0.1.6 & a woman 0.1.3 on a Relief work & they have 4 children coming a little more than half the wages of adults, the family will get 6 annas. It will not get so much on the Breach & will probably have harder work.

1. The papers should go to the Famine Comm^r for report.
2. The actual wage between the relief works is in charge of the D.P.W. Officers. If the work turned out is defective in quantity or quality, the D.P.W.O. is to blame.
