The petn. states as follows:-

In consequence of scarcity of rain some lands have remitted the assessment on dry lands in many villages. In the petrs' village seedlings in some cases withered away & in others the seeds sown never grew. Sanjivappa the Karnam & amashah of the village has however falsely entered in the accounts that the lands yielded some crops. Believing this account to be true the authorities have ordered Rs. 25 per cent of the assessment should be collected. The Karnam in question has in many cases prepares false and fraudulent accounts. The petrs therefore pray that the matter may be enquired into and that justice may be done to them.
