Proceedings of the Board of Revenue
(Land Revenue).

No.1065 Misc., dated 20th March 1897.

Read the following letter from H.O'C. Cardozo, Esquire, C.I.E., Superintendent, Madras Survey, to the Secretary to the Commissioners of Land Revenue, Madras, No.156/B, dated 17th March 1897

Reference Board's Proceedings (Land Revenue) No.782 Miscellaneous dated 1st March 1897 requesting to state whether Field Measurement books have been furnished to Revenue Officers for all the desams in the Walavanad Taluk and for any of the desams in Ponnani and Kurumbranad.

I have the honor to state that out of a total of 317 desams in the Walavanad Taluk, the field measurement books of 177 desams have up to date been supplied to the Special Deputy Collector and the balance will be supplied by 15th April 1897.

2. The preparation of Field measurement books of the Ponnani and Kurumbranad Taluks has just been taken in hand but Mr. Greene reports that in these Taluks, the registration of Janmam titles is not delayed as the Collector has, at Mr. Greene's request, arranged to employ the Special Revenue Inspectors in desams where Surveyors are employed. The Janmis have full access to the field books with the Surveyors, which are all prepared to scale.

Resolution
