Proceedings of the Board of Revenue

(Land Revenue).

No.1090 Misc., dated 22nd March 1897.

Read the following :-

1. letter from A.E.Castlestuart Stuart, Esquire, I.C.S., F.G.S., F.L.S., F.R.G.S., Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue, Madras, Ref. on Regr.No.3539/ver, of '95, dated 27th February 1897.

And the following Reference thereon dated 6th March 1897.

The Collector is requested to report the source from which it is proposed to meet the cost of acquisition.

2. Also letter from the same officer, Ref. on Regr.No. 3539/ver of '95, dated 13th March 1897.

Resolution

The Collector of South Arcot recommends the acquisition at the cost of Government of 60 cents of land in Tiruvannanallur village of the Tirukoilur taluk for a Mahammedan burial ground.

2. The Mahammedan population of the village is about 283 and the existing burial ground is over-crowded. The Collector states that the people are too poor to contribute any thing towards the cost of acquisition, which is estimated at Rs.138, and that no Government land is available for assignment. The Board recommends that the draft notification submitted by the Collector may be approved and ordered to be published in the Fort Saint George Gazette. The cost can be met from general savings under "Land Revenue".

3. The present case is analogous to that disposed of in Government Order No.369 Revenue, dated 28th July 1896. The

Government therein agreed with the Board in considering that the acquisition of a burial ground falls within the deposition of a "public purpose", and that the Land Acquisition Act can be employed for the said purpose.
