To

of Land Revenue
Madras

Sir
In reply to Board's proceedings no 684 hms dated 22nd June 1897 I regret to have to report that I consider him now unfit to be Revenue Divisional Officer whatever he may have been. In connection with his Department and in respect of his duty with which he has been entrusted has he done well. As a Sub. Div. Magistrate he was always an unmanageable time in disposing of cases and appeals and as a Revenue Officer it was just the same thing. His manner of work has been reviewed by the Board and speaks for itself. He has been on special duty in connection with the localization of Manual labor and it has been just the same thing as the Board will see from the report which is leaving this office tomorrow. The work has been so badly done that practically it will have to be done over again.

2. He is I believe a thoroughly worthy and honest man but that is absolutely all that can be said for him. He seems to be quite incapable of coming to a decision promptly or of controlling and supervising his subordinates. In referring to this District there have been much relieved to find him on leave and had it been proposed to send him back would have been compelled to protest for he is quite unfit for administrative charge in a District like this. Indeed many District. As a Revenue Officer I know

Mr. R. R. Ch. Venkatachalam
Panchayat

holding personally of his qualifications as he has
never been in charge of the Treasury but judging
from the way in which he has discharged his duties
generally, should be very soon be in that
capacity

I have the honor to be

Yours most obedient servant
