P.T.O

(1) No Sir — no appeal is provided for hereto in the R.D.

(2) As already explained in person the number of papers that we get is very few. The Dept is "Imperial" though there is a Provincial branch attached to it. The work of the latter, however, is of a routine nature viz. the preparation of daily weather charts &c. So far as I can recollect no paper has come up to us, except when an increase of or modification of the Provincial establishment was considered necessary.
