For Orders

In the note for orders on a recent report from the Collector (now in circulation) of Ganjam on relief wages, it has been suggested that if the Collector found the grain allowance for the other items insufficient he may be authorized pay the actual cost of these items in addition to that of the ~~grain~~ food-portion of the wage. If this suggestion is approved we must tell Collectors what is the food portion and what are the other items to be allowed for the various classes. It is better to ask the Govt of India as they would want uniformity in all
