PETITION

REVENUE DEPT

Most respected excellency,

I beg your excellency to be kind enough to peruse the following few lines of me a humble petitioner.

I have passed the matriculation examination in 1894. I continued my studies for F.A; but unfortunately got plucked in it in 1896 on account of having fallen ill just at the time when I had to study seriously for the said examination. I am now prepearing for F.A 97 in private and hope to pass in it.

I am very poor and hard pressed
for livelihood. I lost my parents and have none
of my relatives to depend upon.
under such circumstances,
I am seeking for some employment am here
appointed as the teacher of first form, which
is here newly opened, on Rs 17..8..0.
Now I have a great mind
to enter the forest department. With regards to
this department, I hear that a candidate can
expect promotion only if a he is a student
of Dehra doon, forest college. For a candidate to be
sent to the forest college Dehra doon, I am sure
there may be certain restrictions and conditions
which a candidate has to undergo, if he is to be
sent to that college departmentally to study.
My request now is that I should be taken as
an exceptional case, setting aside whatever
restrictions and conditions ~~which a candidate~~

a candidate has to undergo if he is to be sent to the said forest college to study departmentally, as every golden rule has an exception; that I should be sent to the aforesaid forest college departmentally to study, making me join the same in the coming January 98; that I should at the same time be made to enjoy all the privileges forthcoming from studying in the said college; and that, as I have sent a true copy of this letter to his honour the conservator of forests Madras begging his honour to take me as an exceptional case and send me thereupon to join the said college, your excellency will be kind enough to take for me, a humble and good fellow, such steps as can surely help me to be sent ~~either~~ to the said college, either by recommending the conservator of forest Madras or by managing in ~~any~~ other way that your excellency chooses.

The following are true copies of certificates given about my conduct:-

firstly this following is the true copy of the certificate given about me by Reverend father Dudley where I was reading principal Saint Joseph's college cuddalore. His certificate about me states:-

" K. Ramanatha Iyer was for Several years a pupil of this institution. He passed the matriculation examination in 1894; and also appeared last year for the first in Arts examination; but failed to pass, though being one of the best students in his class, he had every hope to be successful. His conduct has been very good at all times "

Secondly this following is the true copy of the certificate given about me by Reverend father Fadier assistant principal of the Same Saint joseph's college cuddalore. He is a professor of Mathematics, physiology

and history. He is from Ugedmany. His certificate about me States:-

"K. Ramanatha Iyer was a pupil of this college where he was reading for the matriculation and F.A examinations. His attendance was always regular. His attention to, and his proficiency in his studies was most commendable. From my personal knowledge of his abilities and conduct I believe he will discharge the duties of the office, to which he may be appointed, with fidelity and success."

Thirdly this following is the true copy of the certificate given about me by the English professor and headmaster of the same Saint Joseph's college, cuddalore, his name being Mister Soosay pillai M.A. He in his certificate about me States:-

"K. Ramanatha Iyer was sometime a student of the Saint Joseph's college cuddalore

leading in the F.A classes. His masters found him a most regular, industrious and docile pupil, as far as I have known him personally, I believe he has the necessary qualities requiring satisfaction, wherever he may be employed."

The above three are true copies of certificates, which, namely, the certificates themselves, I am ready to send if your excellency wants to see them.

Under such circumstances,

I beg your excellency to be kind enough to recommend me either to his honour the conservator of forest Madras, or to any body whom your excellency thinks proper to do so, so strongly that I without the least doubt be taken as a candidate and sent to the said college departmentally, making me at the same time enjoy all the privileges forthcoming from studying in the said college.

I beg your excellency

most humbly and sincerely to be kind enough to decide my application with a favourable eye, to comply with my request and to take such steps as can surely secure me my desired effect. I request also a favourable reply to be sent as soon as possible to my address,

I am,

your excellency's most obediently

K. Ramanatha Iyer
