BOARD OF REVENUE (SEPARATE REVENUE), No. 53, 6TH FEBRUARY 1897.

PROCEEDINGS OF THE BOARD OF REVENUE
(SEPARATE REVENUE).

READ—letter from C. G. TODHUNTER, Esq., Acting Deputy Commissioner of Salt and Abkari Revenue, Central Division, dated 26th December 1896, No. 6116:—

ABSTRACT.—Reporting that the Madras Town Circle Office has been removed into No. 4 Marshall's Road, Egmore, and submitting a draft form of rental agreement, a proposition statement for increase of inferior establishment and an indent for carbines and ammunition.

RESOLUTION—No. 53, dated 6th February 1897.

With reference to paragraph 2 of G.O., Mis. No. 4596, Revenue, dated 16th November 1896, authorising the Board to hire a building for the office of the Inspector, Madras Town Circle, until the question of the disposal of "Grassmere" is settled, the Board begs to report that house No. 4 in Marshall's Road, Egmore, has been hired on a monthly rental of Rs. 55 and that the Inspector's office was removed thereto on the 15th December 1896.

2. The daily collections in the circle have been hitherto handed over to the Inspector, Madras Depot Circle, every evening for remittance to the Madras Bank with the collections of the latter circle, but as this course is no longer possible, the Assistant Commissioner, Tinnevely Sub-division, has been ordered to send the cash-chest of the Vaippar factory, where it is not required, to the Inspector, Madras Town Circle, for the safe custody of the collections. The establishment of a new treasury in the town circle requires an additional force for guarding it as men cannot be spared for the purpose from the existing circle staff. The Deputy Commissioner proposes the addition of a second grade duffadar and two second grade peons. The Board thinks that an additional first grade peon is necessary. This, with the Inspector's orderlies not actually in camp, will allow of three men always sleeping at the treasury at night. Sanction is solicited for their entertainment. The Deputy Commissioner will be instructed to appoint the treasury guards in anticipation of sanction and the Board trusts that its action will be approved. The total cost of the additional establishment amounts to Rs. (31×12) or 372 per annum and can be met from the provision made under "Establishments" in the budget. The usual proposition statement in duplicate is enclosed.

3. The draft rental agreement received with the letter read above is approved and the indent for arms and ammunition will be complied with shortly. An estimate for a strongly made iron-bound covered hand-cart suitable for remittance should be submitted.
