Tamil Translator to Government.

To

The Chief Secretary to Government.
Fort St. George.

Sir,

With reference to G. O. no. 2205 R. dated 20th November 1896, I have the honor to state that the style of the *Tamil version of the Manual of Forestry forwarded to me for opinion is passable and can be understood by those for whom it is intended; but I must say that such terms as 'காவற்காரன்', 'கிராந்தி', 'இருந்தானம்', 'பயிரிடுதல்', 'கொள்ளை', 'குறும்பர்' etc cannot easily be understood by men who do not possess a knowledge of English. I am not sure that such terms can be understood even by the Native officers employed in the Forest department.

* Returned herewith.

In conclusion, I am of opinion that the addition of a complete Appendix explaining such terms and expressions as I have noted and a general revision of the work with reference to idiom

cdiom will render it useful.

I have the honor to be,

Sir,

your most obedient Servant,

H Delazza

Daniel Evans Castor Esq.

Note for orders.

In G.O.No.2205, d/20th Novr.1896, the Govt.Translator was asked to express his opinion as to the merits of the translation of Dr. Schlich's Manual of Forestry. He states that the style of the Tamil version is passable and can be understood by those for whom it is intended; but that there are certain terms in it which cannot be understood by men who do not possess a knowledge of English. He is not sure that these terms can be understood by the native officers employed in the Forest Dept. He thinks that the addition of a complete appendix explaining such terms and a general revision of the work with reference to idiom will render it useful. Orders are solicited as to whether the Board may be called upon to report whether in view of the opinion expressed by the Govt.Translator it still recommends the purchase of the book for distribution among the subordinates of the Forest Dept.
