PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from R. SEWELL, Esq., Collector of Bellary, to the Secretary to the Commissioners of Land Revenue, dated 1st April 1892, Ref. No. 1767:—

I have the honour to solicit the orders of the Board as to what is the real meaning of the Government Order, Revenue Department, No. 1516, dated 4th September 1871, communicated in Board's Proceedings, No. 4420, dated 18th October 1871.

2. Appasami Chetty, a clerk in the Survey office, who has passed the Revenue Lower grade and has undergone survey training, has been acting on full pay as Revenue Inspector for three months with permission of his superior departmental officer. The sub. *pro tem.* vacancy lasts for five months more, and if there is a permanent vacancy in the meanwhile and if he continues to act, he may perhaps be appointed to it. The Deputy Superintendent, Revenue Survey, however, requests either that his clerk may be immediately confirmed in this department or be sent back to his own department. I beg to enclose copies of two letters marginally noted for the information of the Board.

3. The meaning of the Government Order is not beyond doubt. I understand that the restriction of three months applies to *permanent* vacancies in other departments, the appointments being made on probation and this does *not* apply to cases of acting appointments on higher pay or temporary duty retaining a lien on the substantive post.

4. There are only a few passed men available in the Revenue Department for the posts of Revenue Inspectors, and it would be a great help to us in this district if the restriction (if any is imposed by the Government Order as interpreted by the Deputy Superintendent) might be removed. The deputation of clerks in the Revenue Department to posts on higher pay in the same department is permissible for long periods, and if the superior officer of one department has no objection to allow his clerks to act in posts on higher pay in other departments, I think there would be no objection on the part of Government.

ENCLOSURES Nos. 1 AND 2.—Letters.

RESOLUTION—dated 18th May 1892, No. 224.

The wording of paragraph 3 of Government Order, dated 4th September 1871, No. 1516, is quite plain and the Collector's interpretation of it is correct. The Board does not therefore see any need to refer the matter to Government. What Government

wanted to do in the order above referred to, was to stop men's *taking leave* to try, or be tried in, other departments, thereby making a convenience of their own appointments. The present is not a case of that kind at all, and the Board does not think that the Deputy Superintendent is prohibited by the Government Order from permitting the clerk to continue to hold the temporary appointment.

Informing Collector of Bellary that he is correct in interpreting Government Order, dated 4th September 1871, No. 1516, to mean that the three months' lien referred to therein does not apply to permanent clerks of one department allowed to act in posts of higher pay in another department on temporary duty.

Proceedings of the Board of Revenue
(Land Revenue)

NO 1339 Misc, dated 3rd October 1835

Read the following letter from the Collector of Vizagapatnam, to the Secretary to the Commissioners of Land Revenue, Madras, dated 15th September 1835, R.C. NO. 2203.

One P.S. Raghavacherry Vernacular clerk of my office on Rs. 30/- a month and acting Agency translator on Rs. 40 has been, on the recommendation of the Inspector General of Police, appointed prosecuting Inspector in this District and the Superintendent of Police has asked me to relieve him here as soon as possible. Raghavacherry has applied to me to allow him a lien on his appointment in my office for 18 months as, under the rules of the Police Department, he cannot obtain a permanent post until he passes a departmental examination for which, he says, he cannot appear till December 1836. Under Board's Standing Order NO. 261 (Maclean's Edition) no lien can be allowed for more than three months in such cases. I have accordingly granted him lien for three months and for the rest of the period he applies for, I have the honor to solicit the orders of the Board. If it is possible, I think the applicant's request should be granted, as he is unable, through no fault of his own, to obtain a permanent post within the period for which he applies for his lien.

Resolution.

The Collector's attention is drawn to Board's Proceedings 221, dated 18th May 1832. In the circumstances of the case, there is no objection to granting the applicant's

applicant's request.

NO 1103 Misc, dated 23rd March 1897

Read letter from the Collector of Vizagapatam, dated 14th
March 1897, R.P.C. NO. 220/Dis.

Resolution.

Submitted to Government.

2 In September 1895, P.S. Raghava charri, Vernacular clerk of
the Collector's office, Vizagapatam, on Rs. 50, was allowed to
take up an appointment in the Police Department with a lien
on his permanent post for a period of 18 months. The sanction
of Government was not obtained, as until the issue of G.O. 582
Financial dated 18th June 1896 it was not the practice to
obtain special sanction for such transfers.

3 The above period of 18 months expired on the 11th Inst.
The Collector now recommends that the period of lien may be
extended by one month, within which time the clerk expects to
be confirmed in the Police Department. The Board supports the
Collector's recommendation.
