READ—The following letter from the Collector of Vizagapatnam, dated 23rd December 1896, Re. C. No. 4897 of 1896:—

I have the honor to apply under Board's Proceedings No. 554 dated 17th August 1889, Land Revenue, for the sanction of the Board of Revenue for permitting the cultivation of the bed of the Lunda Kirla stua (lake) in the Samasidhi Taluq during the current festi.

2. The Board is aware that the South-west monsoon in this District was very deficient and the North-East monsoon a failure altogether. The jirayati ryots of Chimalapalle and Sannamane have applied for permission to cultivate the bed of the lake with dry crops viz. Raji, Chama, Uda, &c. on payment of Siraji Janna assessment.

I inspected the lake during the latter part of November and I think there can be no objection to the permission applied for being granted in view of the present security. I request that the orders of the Board of Revenue may be communicated to me by wire, so that the ryots may begin cultivation at once, should permission be granted.

Resolution

The following telegrams will be despatched:-

1. "Gum 4897 of 1896 proposal sanctioned"
2. Copy of Board's Proceedings 314 of 1896. G.O. 4535 of 13-11-96. will be communicated to the Collectors of Nagapattanam and Ganjam for information and guidance.
