No. 1690 Dis:

READ The following letter from the Collector of Vizagapatam, dated 18th March 1897 Ref. C. No 508 and 725:-

I have the honor to report that in the Golconda Taluk 729 applications were received for loans under the Agriculturists' Loans Act for the purchase of cattle, and seed grain for the next cultivation season and of fodder for cattle.

2. These applications cover a sum of Rs 52,000 and it is

is likely that many more applications may be received. I am unable to say how much money may be required and will therefore defer making an application for allotment of funds till enquiry into a fair proportion of the applications has been concluded. Meantime I request the Board will be pleased to sanction the entertainment of a Revenue Inspector on Rs 35 and a clerk for the taluk office on Rs 15. The ordinary staff has its hands quite full owing to agricultural and jamabandi work and the employment of the special establishment asked for is indispensable for the speedy disposal of the applications.

Submitted for the orders of Government.

2. In the circumstances reported by the Collector, the Board recommends that sanction may be accorded for the entertainment of an additional Revenue Inspector on Rs 35 and a clerk on Rs 15 for the golconda taluk for a period of three months.

3. The collector will be requested to submit a proposition statement in duplicate for the establishment proposed.

4. The Board takes this opportunity of requesting Government to sanction an allotment of Rs 10,000 for the year 1897-98 to meet the cost of

of establishment already entertained
 and likely to be entertained for the
 prompt disposal of applications
 for loans. The cost of the establish-
 -ment already entertained comes
 to Rs 741 per month and if the
 distress continues, the Board has
 no doubt that more appli-
 -cations for additional establish-
 -ments will be received. In the
 case of establishment already
 entertained the cost was proposed
 to be met from savings under
 temporary establishment under
 3 A Land Revenue charges of
 District administration and the
 Board considers that it is not
 safe any longer to indicate the
 same source, as sufficient savings
 cannot be expected to accrue under
 that head. To meet the increasing cost
