The following is forwarded for information and guidance, with reference to paragraphs 2 and 3 thereof.

ENCLOSURE.

Copy of a letter, No. 3177-M. W., dated 13th November 1896, from the Government of India, Military Department, to the Government of Bengal, General Department.

I am directed to acknowledge the receipt of your letter, No. 438-T.G., dated the 18th September 1896, submitting, for the orders of the Government of India, correspondence regarding a claim, amounting to Rs. 92-12-0, preferred by the civil authorities, on account of expenditure incurred in the erection by them of four slaughter-houses on the encamping grounds situated in the Sadar sub-division of Shahabad and in hiring *motes* for the purpose of supplying water to the troops passing through the district last cold weather, and enquiring whether the present and future similar charges should not be borne by the Military authorities.

2. In reply, I am to state, for the information of His Honour the Lieutenant-Governor, that the cost of constructing slaughter-houses by whatever agency, in such cases, should be met from the grant for Military works at the disposal of the Government in the province in which the expenditure is incurred.

3. As regards charges incurred on account of the hire of *motes* for the purpose of supplying water to troops passing through encamping grounds, I am to say that such charges should be borne by the Military estimates.

4. I am to add that the claim in question should be disposed of accordingly.

To His Excellency the Lieutenant-General Commanding the Forces,
