REVENUE DEPT

15.8.1897

Vadur.

To

The Right Honorable the Governor
In Council
Madras.

Most humbly sheweth.

That your Excellency's pe-
= titioners being Mirasidars of Govin-
= darajen Kattalai attached to Thenpattur
Vattam Vadur Maghannam Mannar
= gudi Taluk Tanjore district most
respectfully beg to submit this Maha-
= zernamah for your Excellency's
matured kind consideration and
favorable orders. Until lately
their Nujja lands were assessed at
Rs 2 2 1/4 while the same are now
taxed at Rs 5 2 5/4 per acre. This
new tax is more than double that of
the old one while the produce deriva-
= ble from them at present is in most

cases

cases even less than that of the years preceding the settlement. Their lands are now the last to be irrigated from Vadur lake. Their lands do not get water in time during sowing season while they are over flooded when only moderate water is required. Their lands are very inferior when compared with those situated under & close to Vadur lake from which the former have to be irrigated.

Yet they have been taxed on the same scale with that of Vadur lands. The outturn of their lands is barely sufficient to meet Govt tax plus cultivation expenditure to resow seed for the next year. They have therefore, year after year, to suffer to such an extent in the matter of satisfying Govt demand that their hardship is more than can be expressed.

The humble petitioners most respectfully

The first thing I noticed
 when I stepped out of the plane
 was the cold. It was a
 shock to the system. The
 air was crisp and clear,
 and the sun was shining
 brightly. I had heard that
 the weather was perfect,
 and now I knew it was
 true. The landscape was
 beautiful, with rolling hills
 and a few scattered houses.
 I had never seen anything
 like this before. The people
 were friendly and welcoming,
 and they showed me around
 the town. I was in luck,
 because I had just what I
 needed. The weather was
 just what I needed.
