Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 23rd March, 1897.

His No. 1178.

Read letter from the Collector of Sea Customs, Madras
(forwarded)
No 1337 G, dated 24th February 1897 requesting
to be informed as to the course he should
pursue in respect of future consignments -
imported for the Bezwada - Madras Railway,
whether the Railway materials & stores can
be passed free of duty; and Board's Reference
thereon to the Engineer in Chief of the Bezwada
Madras Railway dated 10th March 1897 -
requesting him to state whether the material
and stores referred to should be treated as
Government Stores.

Read also letter from the Engineer in Chief
Bezwada - Madras Railway No B/1599 dated
24th

16th March 1897 stating that the material
imported for the Ennore - Bezwada portion of the line
are paid for from Government funds & are Government
Stores.

Resolution.

The Railway being a State Railway the proviso to sub section (d) of Section 20 of the Sea Customs Act applies so far as materials required for construction are concerned. It is presumed that the Madras Railway Company does not import any stores specially for use in working the Ennore Section but meet requirements from their general stores. If the former is done, so far as the Board understands the arrangements, these stores would be liable to duty in the same way as ordinary stores imported by the Company
