## Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 21st December 1896.

No. 6804 Miscellaneous.

READ Letter from the Chairman, Municipal Council  
Adoni, dated 15th December 1896 No. 818.

Read also the following endorsement of the  
Collector of Bellary dated 18th December 1896  
Submitted through the Board of Revenue to Government.  
Resolution

Submitted to Government in continuation  
of Board's Proceedings No. 6201 dated 4th December  
1896.

2 The Chairman of the Adoni Municipality  
appears to have entirely misapprehended the point  
of the Board's remarks, which were directed to  
showing that, in its opinion, municipal works  
may be carried out as relief works just as well  
as any other public works. Into the question of  
the debiting municipalities with the whole cost of  
works

works so executed the Board did not enter,  
and if the Chairman will peruse para 5 of  
Board's Proceedings dated 22<sup>nd</sup> October 1896  
No. 287, he will observe that the Board considers <sup>under special</sup>  
that the interests of Municipalities, as well as  
Local Boards should, as a matter of principle,  
be clearly safeguarded in such matters.

FOR ORDERS.

The question whether Muni-  
cipal funds can be utilized for  
relief works, is again raised in the  
current read above. Final orders  
have already been passed on this  
question, though the G.O. has not yet  
issued (on C.O. 8899 of 1896 put up).  
It is suggested that this current may  
also be read with C.O. 8899 of '96.
