FOR ORDERS.

The question as to whether grain doles should be resumed in Ganjam has already been submitted for orders in connection with a representation from the Hon. Secretary of the Charitable Relief Committee. It appears from the current that the Board has already authorized the Collector to resume grain doles. The ~~order to stop grain doles is~~ ~~by the Board~~ stoppage of grain doles in the first instance appears to have been due to a mistake in the wording of the Board's telegram of the 26th of February.

I don't understand what orders are required?

FOR ORDERS.

169. The telegram issued

26-2-97

was:

Restrict gratuitous relief

to grant of cooked food at

kitchens pending further orders

It appears from B.P 1691 mi

6-3-97

that the telegram should have

run:

Restrict gratuitous relief

to grant of cooked food

at kitchens or grain doles

pending orders.

So that the Collector is now at liberty to grant grain doles, as Govt has not anywhere prohibited the grant of it.

2. Some time ago the Hon: Mr. P. S. drew attention to the excessive numbers on gratuitous relief in Gayam; a note was thereon prepared and that it was possibly due to grain doles explaining the position and it was decided to draw the attention of the Commr D. to the matter. But the D. & prepared was withheld as it was found from the B.P of the 26th February referred

page 2 of the B.P 1691 mi

The note was prepared with the Commr D. & from the Hon: Secretary, Committee of P. & B. & C.

to show that the Board had already directed the collector to restrict gratuitous relief to grant of cooked food. The Board now says that the telegram was a mistake and that it did mean that grain doles should be stopped. Is this right? May grain doles be allowed at the present stage in Gayam?

3. This question was submitted for orders in connection with a representation from the Hon: Secretary of the Famine Committee. But the paper has not yet returned from circulation & it is not known what orders have been passed thereon. So the present current ~~was~~ ^{is} circulated for orders in continuation of the other.
