PETITION

REVENUE DEPT

27 September 1897
No. 5
Gundy

To His Excellency
The Governor of India
Madras.

I beg most humbly to bring to your Excellency's notice that the piece of land now owned by me is No. 221 of Kanagam Gramam Gundy near the Villages Pillepet, Pylhonam and Tharamany and these are near the Government park and among these villages the Villagers of Tharamany only are a source of great trouble as they are in the habit of driving their cattle during the late hours of the night into the Government park for grazing, whereas the other two Villages the cattle are kept tied and fed.
2. The Villagers of Tharamany only get one crop during the year and the other portion of the year they are engaged in selling Ghee, Curd, Milk and supplying gravel to contractors. The people of Tharamany also take care that when they have a crop their cows are sent away to some distant Villages, but only the Bulls are kept for ploughing work.

3. Now the land that I have purchased is No. 221 and it has passed several hands and this thing that I have already mentioned the constant trouble of the Cattle from Tharamany Village is that by which the owners have sustained great losses although they had spent money in addition

to the tax which is about Rs 4.6 and so could never realize the amount expended and all who owned this land previously have been put to great inconvenience and were obliged to sell it off.

I also humbly beg your excellency that I
 sustained a severe loss during last season and on
 that account I put in the ground some Raggee
 and Beans to make up for the loss and I am sorry
 to find that the Cattle of the Village of Tharamany have
 almost destroyed the crop in August 1897.
 I further humbly beg to bring to your excellency's
 notice that on the 5th September 1897. 40 Cows
 were found grazing in the fields and were put
 in power at Perimooddy and on the same
 date 160 Cows were found grazing in the
 Government park and were taken to the

to pass the Village of Sharamany and most likely
they would be stopped on their way.
I would like to bring to your Excellency's
notice that some time ago a similar trouble
was given by the Villagers at Poornamallee
who used to allow their Cattle to come in the
controversial to graze and the Magistrate
was obliged to increase the former charges
to Rs. 15 for each Cow and those who were
able to pay the amount and release their
Cattle, did so but others who were unable the
Cattle was sold and payment was made.
I humbly beg your Excellency that the
people of Sharamany may be ordered to keep
their Cattle tied or be pleased to give me a
permission to shoot the Cattle that loiter
in military lands during night and that will
be the intended persons humbly
I beg your Excellency have also similarly sustained
in the case of the above mentioned
that Villagers Cows and send them to the
and I pray for your Excellency's long life
and prosperity.
I humbly beg to remain,
Your Excellency's most obedient humble servant.
