The peti. was Mouien Munsif of Senhattangunsib village before revision. At revision the Tahsildar removed the peti. from office and appointed one Solaiyappa Musali who was doing duty along with the peti. and who was the gire mirasidar of fasli '31. The peti's claim to the post dates from faslis 1215 & 1217. In 1891 the peti. appealed to the Board which directed him to file a suit under Regulation II of 1831. The peti. accordingly filed a suit and was declared by the Coll. to have a better claim to the appointment than Solaiyappa, and was restored to office by that officer. The respondent thereupon appealed to the Board which removed the peti. from office on the ground that he has no mirasi right under Section 6 of Act III of 1895. The peti. thought that there was no appeal against this order and did not therefore make any attempt to recover his appointment. Subsequently he got a copy of G.O. No. 276, dated 22nd June 1896 and presented an appeal to the Board but only in vain. It is unjust that the Board should have applied Act III of 1895 to the peti. who has been in office before the Act came into force. The

The respondent is now dead - He has
left no issue and the appointment has
been registered in the name of a
minor (the peti. does not say who this minor is)
and an incapable gumastah does
duty for him. The records in the
peti's case are in the Collis office.
The Board for reasons the peti. is not
aware of, has asked the Tahsildar
for the records relating to the disposal
of the respondent's case. But the mem-
bers of Sholigappa's family who are
conscious of the shortcomings weakness
of their claim allege that the
papers asked for are missing.
Under the circumstances the peti.
prays that the records in the case
may be sent for and perused
and that he may be restored
to office.
