RESOLUTION—Forest No. 65, dated 18th February 1897.

The draft final notification in respect of the Dasaripalli extension blocks B, C and D, received with the letter read above, will be submitted to Government with the request that it may be approved and ordered to be published in the *Fort St. George Gazette*, the reservation to take effect from 1st June 1897.

2. *Claim* 10 *of Dasaripalli block B.*—The foot-path admitted by the Forest Settlement-officer in this claim has not been recorded in the draft notification; nor has its point of exit been fixed with precision in the B. Register. The Board has supplied the omissions in these documents.

3. *Claim* 4 *of Dasaripalli block C.*—Though the claim to field No. 1467 is rejected at settlement, it is observed from the sketch-map that the field in question lies outside the reserve boundary.

4. Survey No. 366 referred to in the northern boundary description of Dasaripalli block D is apparently a clerical error for No. 336. The necessary correction has been made in this office.

5. The blocks lie in the Proddatur taluk and cover an aggregate area of 8,181 acres as finally settled.

From W. C. McMURRAY, Esq., Forest Settlement-officer and Special Deputy Collector, Cuddapah District, to the Collector of Cuddapah, dated Gudiyáttam, 28th March 1896, No. 103.

I have the honour to report the conclusion of the settlement of the proposed Dasaripalli extension reserved forest blocks Nos. 30 B, C and D in the Proddatur taluk of your district.

2. The notification under section 4 proposing to constitute these areas into reserved forests appeared in the *Fort St. George Gazette*, dated 2nd October 1894, and the proclamation under section 6 was published in the supplement to the District Gazette, dated 21st November 1894.

3. The blocks were perambulated, inspected and enquired into by me in November and December 1895, when 31 claims in all were filed for the following rights:—

(i) Ten claims were to right of way over two cart-tracks and eight foot-paths.

(ii) Twenty-one claims (ten relating to same rights) were to Government patta and inam rights over 78·23 acres of land and sivoijama rights over 4 15 acres.

4. The claims involved in item (i) and fifteen claims in item (ii) were admitted and the rest were rejected. The last rejected claim was disposed of on the 24th instant and the appeal time will expire on the 23rd proximo, but to save delay, the final report is now submitted, as the rejected claim relates to sivoijama lands.

5. The blocks are thus free of all rights except those admitted above.

6. The following are sent herewith :—

(*a*) B. Register of claims.
(*b*) Draft notification under section 16.
(*c*) Numerical statement of claims filed and disposed of.
(*d*) Three sketches of the blocks.

7. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

Resolution—Forest No. 65, dated 18th February 1897.

The draft final notification in respect of the Dasaripalli extension blocks B, C and D, received with the letter read above, will be submitted to Government with the request that it may be approved and ordered to be published in the *Fort St. George Gazette*, the reservation to take effect from 1st June 1897.

2. *Claim* 10 *of Dasaripalli block B.*—The foot-path admitted by the Forest Settlement-officer in this claim has not been recorded in the draft notification; nor has its point of exit been fixed with precision in the B. Register. The Board has supplied the omissions in these documents.

3. *Claim* 4 *of Dasaripalli block C.*—Though the claim to field No. 1467 is rejected at settlement, it is observed from the sketch-map that the field in question lies outside the reserve boundary.

4. Survey No. 366 referred to in the northern boundary description of Dasaripalli block D is apparently a clerical error for No. 336. The necessary correction has been made in this office.

5. The blocks lie in the Proddatur taluk and cover an aggregate area of 8,191 acres as finally settled.
