The papers state as follows:-

Some time ago a circular order was sent round to all village officers in the peths' taluk directing them to submit lists of ryots who deserves help from the famine charity fund in the shape of loans for agricultural purposes. This was done and many ryots enjoy the benefit of this help. Unfortunately for the peths. Their village office did not furnish any list of the above nature, and the peths' village with its shambhats did not come in for a share of the advantages kindly offered by the famine fund. The peths. suffer much from famine and were till now employed in relief works as their lands yielded no crops. The peths. complained in person to the Col. who informs them that with the exception of about 100 the peths' names did not appear in the list called for. Under the circumstances the peths. pray that the tahsildar may be directed to enquire into the matter and obtain loans for them as was done in the case of several other ryots.
