The peti. states as follows:-
 The peti's family owns 21 acres of land in Gulapaham village, half of which is enjoyed by the peti. and the other half by his younger brother. Without the peti's knowledge the peti's eldest son sold the land to one Arjanegetachappa who has taken possession of the land & sown seeds therein and who does not allow the peti. to enter the fields. The peti. presents two complaints about this to the Col. who referred the matter to the Tahsildar who however has not held any enquiry into the peti's complaint. The peti. applied for copies of the papers in his case which have not been granted to him. He is therefore unable to submit copies of the orders of the lower courts. The peti. is a poor old man of 80 years. He prays that the Govt. will be pleased to send this petition to the Col. instructing him to punish Dachappa for his encroachment. The peti's younger son too intends to sell the land. The peti. prays that Govt. will issue orders forbidding persons from purchasing the land from this man, and declaring Dachappa's transaction invalid.
