BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 10TH MAR. 1897, No. 211.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—Proceedings of the Board of Revenue (R.S., L.R. and Agri.), dated 27th February 1897, No. 172.

ABSTRACT.—Passing orders regarding kist collections in Cuddapah district.

READ—also article in the *Madras Mail* of March 8th, 1897, entitled "The Famine outlook—the position in Cuddapah."

RESOLUTION—dated 10th March 1897, No. 211.

In the said article it is stated that collections on dry lands are being made—whether in Kurnool or Cuddapah is not clear—in violation of the Board's orders on the subject; that distraint is actually being made, and—this statement appears to refer to Cuddapah—that orders have been issued that no remission will be given for dry waste.

2. As to dry waste, if such an order has been issued it is wrong and should be cancelled at once. Dry waste is just as much entitled to share in tractwar remission as dry shavi. The Collectors of affected districts will issue orders accordingly at once. The Collectors of Kurnool and Cuddapah will report without delay if any distraints have been made in affected taluks for dry kists, what action was taken on the B.P. read above, and they will issue the most stringent instructions to prevent any repetition of the acts complained of, and report having done so by return of post.
