READ—the following paper:—

From J. H. A. TREMENHEERE, Esq., Acting Collector of Nilgiris, to the Secretary to Government, Public Works Department (through the Executive Engineer, Coimbatore Division), dated Ootacamund, 1st March 1897, Ref. on Cur. No. 225.

In submitting herewith a draft declaration showing the lands to be acquired under the Land Acquisition Act for the purpose stated in it, I have the honour to request that you will be pleased to obtain the sanction of Government for the purchase of the lands in question.

2. The letter of the owner of the lands, dated 20th January 1897, addressed to the Executive Engineer, Coimbatore division, is enclosed for perusal and return, from which it will be seen that the lands seem to have been already taken possession of by the Public Works Department. I request therefore that, under section 17, Government may authorize me to take possession after 15 days from publication.

3. It has been proposed by the Executive Engineer that a portion of the land already acquired in the same field under the notification of Government, dated 5th March 1896, measuring about 6 cents, may be given up to the owners as part compensation, and the balance, viz., 6 cents, be compensated for by money payment. The Executive Engineer reports that the land so given up cannot be utilized owing to the proximity of valuable household property.

4. A sketch showing the portions to be acquired is enclosed for the information of Government and return.
