(Revenue Settlement, Land Records and Agriculture.)

Dated 16th October 1897.

No. 8488 Mis.

W. J. A. L. F. L. L. L.
Famine Commission

Read the following letter from the

Collector of Kurnool, Disposal

No. 802 of 1897, dated 8th of

October 1897:-

I have the honour to
reply to Board's Proceedings,

No. 8245 Mis, dated 30th of September

1897.

2. Relief ~~to be~~ ^{to be} Calcu-
lated on a mixed cholera

and ragi basis as shown below.

Work

Date from which
the mixed basis
was introduced

Mode of
Calcu-
lation

(1) Canal embank.
mud work, Seruel
Taluk

(2) Nossam Work,
Hail Kunthla Taluk

from about
the middle
of August

$\frac{1}{2}$ Cholam
 $\frac{1}{2}$ ragi

(3) Gudipad Work,
Pattikonda Taluk

from about the
last week in
August

$\frac{1}{3}$ Cholam
 $\frac{2}{3}$ ragi

(4) Maddikura Work,
Pattikonda Taluk

$\frac{1}{3}$ Cholam

(5) Naravulagunduru
Work, Pattikonda
Taluk

from about
the beginning
of September

$\frac{2}{3}$ ragi

(6) Itikala Work,
Hail Kunthla Taluk

$\frac{1}{2}$ Ragi
 $\frac{1}{2}$ Cholam

(7) Kalavatala Work

All the above works lie to
the extreme south of the district,
the only part in which ragi -
has displaced cholam to any
appreciable extent as an article
of diet. The basis fixed for
the Anantapur and Buddapah
districts in Board's Proceedings

in G.O. 566 No. 483 of 1897 have been
adapted according as the work
is situated near the Ananta-
pur or Buddapah frontier.

2. In Circles and Kitchens
Cholam alone is being used,
as it is more palatable
who come over the borders from

the Anantapur and Giddapah
districts than by our own workers
that ragi is being consumed.

3. I doubt whether, having
regard to the habits of a large
majority of the people, it would
be fair to introduce any extension
of the system of calculating
wages on a mixed basis.

Resolution.

- Submitted for the
information of Government with
reference to Government Order
5072 M.S. dated 24th September
1897.
