The following letter from the Collector of
Vizagapatam, dated 10th March 1897 Re. C.
No. 876:—

I have the honor to report that the
Huzur Dy. Collector having reported to me
that work was urgently needed by the
villagers in the neighbourhood of Gazwaka,
Vizagapatam Taluk, I directed the Local
Fund Engineer, who is now spending the
balance of road allotments on collection
of materials, to offer work on petty
contract, at reduced rate (As 5 per cubic
yard of metal) to & apply for it at a quarry at As a might
large number came with I went ka
there yesterday. About four hundred people
had come to work and the number was

rapidly swelling. As the terms are
decidedly illiberal, this shows that
they are hard up for employment, and
moreover the District Board cannot
employ an indefinite number. I
therefore ordered a test work, which will
commence on Monday. I have allotted
to it Rs 1000. As I have already applied
for Rs 2000 and have allotted the other
Rs 1000 to the test work at Dakmarri,
Bimilipatam Taluk, no further sanction
is required. I request approval of my action

2 I take this opportunity of reporting that
I hear from Mr. Scott this morning that the
test opened at Dakmarri yesterday failed
to attract, though the villagers had said they
would come to it. Mr. Scott informs me
that although these people have, many of them,
no store of food, and very seldom any work,
they still obstinately decline work at Famine
works. As he says they are suffering in condition,
have urged him to endeavour to persuade
them in need of it to come in to work. I
shall

210
shall go there in a few days with the
District Surgeon. I should not have instructed
Mr. Scott to use persuasion, had he not told me
that the people were really in distress, and I
think they should, if possible, be saved from
further reducing themselves and their children
by their obstinacy.

Resolution

The Collector's action is approved.

Read—the following letter from the Collector of Vizagapatam, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 10th March 1897, Ref. on C. No. 876 :—

I have the honour to report that the Huzur Deputy Collector having reported to me that work was urgently needed by the villagers in the neighbourhood of Gazuvaka, Vizagapatam taluk, I directed the Local Fund Engineer, who is now spending the balance of road allotments on collection of materials, to offer work on petty contract at reduced rates (As. 5 per cubic yard of metal) to all who might apply for it at a quarry at Gazuvaka. 2. I take this opportunity of reporting that I hear from Mr. Scott this morning that the test work opened at Dakmarri yesterday failed to attract, though the villagers had said they would come to it. Mr. Scott informs me that although these people have, many of them, no store of food and very seldom any work, they still obstinately decline work at famine rates. As he says they are suffering in condition, I have wired him to endeavour to persuade those in need of it to come in to work. I shall go there in a few days with the District Surgeon. I should not have instructed Mr. Scott to use persuasion had he not told me that the people were really in distress, and I think they should, if possible, be saved from further reducing themselves and their children by their obstinacy.
