## Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture.)

Dated 14<sup>th</sup> October 1897.

No. 8404 Mrs:

W. J. H. Le Janm Esq.  
(Tamil Commissioner)

Read Government Order No. 4847 Mrs: dated  
15<sup>th</sup> September 1897.

## Resolution

As desired in L. O.

Revenue, 4847 Mrs: dated 15<sup>th</sup>  
September 1897, the Tamil Com-  
missioner begs to submit his  
remarks on the Sanitary Com-  
missioner's memorandum of hints,  
for the guidance of Medical  
Subordinates and Certificated  
Sanitary Inspectors, when examining  
persons

persons receiving relief in famine affected areas.

2. With regard to the first criticism of Government, the Famine Commissioner is unable to see how it can be objectionable to bring to the notice of the person to be instructed the policy of Government; that policy has been published to the world and should be prominently brought to the attention of each officer, who is to pronounce upon the condition of the recipients of relief, in order that he may know clearly what his duties are.

3.

The Famine Commissioner

Concurs in the remarks of Government in criticizing para 3 of the memorandum. He would not, however, omit paras 3, 4 and 5, as the instructions are valuable. The memorandum purports to refer only to the examination of actual recipients of relief. Perhaps this should be made clearer.

4. Paragraph 11 should be amended, as directed by Government.
