The petn. states as follows:-

That in there was an old well in the petn's inam No. 287. Last year the Tahsildar encamped in the petn's village and the petn. along with others presented an application to that officer for the grant of a Takavi loan to him for executing repairs to this well. A loan of Rs. 25 was granted to him which he spent in repairing the well. But as this amount was insufficient for the purpose, he raised a private loan of Rs. 80. Even with this amount the repairs were not completed, and in June last when the Tahsildar again encamped in the petn's village, the petn. again applied for another loan of Rs. 150. The Tahsildar received the application and promised to obtain the loan for him, but the petn. has not as yet received any thing. The petn. therefore sent cards reminders to the Collr. who issued to him the attached Endt. No. 1539 dt. 24.7.97. On the 16th August last the Revenue Inspector inspected the petn's village and the petn. has given a Kaifiyat to him stating that ~~that~~ Rs. 332 have been spent on the well and that a sum of Rs. 150 was necessary to complete the

the work. On the 16th. September last the petr. personally represented to the Tahsildar in Senaguppa camp in the presence of the Revenue Inspector that if the land was not granted before the rains set in, much of what has already been done would be damaged, and the Tahsildar again promised to get the loan without delay. On the 26th. September there was already downpour of rain which caused a breach in the tank near the petrs. inam. This not only damaged the repairs executed by the well & bat, also the petrs. inam which will not be fit for cultivation for three years more. Under the circumstances the petr. prays that the amount already paid to him (Rs.250) and that he has applied for (Rs.150) may not be demanded from him for three years more, that during this period no interest may be charged for them, and that after the expiry of the three years the whole amount may be received from him in 20 instalments. If this is not feasible the petr. prays that the petition may be thrown into the sea and that no orders may be sent to him. Service brain-ing unless they be favourable.
