The Collector of Kistna District,
Masulipatam.

Sir,

With reference to Board's Proceedings No: 1867 Mis.: dated the 12" instant, copy of which I observe has been communicated to you by the Board, I have the honor to point out that a notification to the effect therein approved has to be published in your District also so far as the Masulipatam portion of the district comprising the taluks of Bandar, Gudivada, Bezwada and Nandigama is concerned. The term of the existing settlement of the Masulipatam portion of the district expired with the 30" June 1896 and though a ^{re-} settlement cannot be introduced in the current fasli year, it will have to be introduced in the ensuing fasli year 1307, and in order that no objection to such introduction may be raised on the ground of previous notice not having been given of the existing water-rate rules being liable to supersession or modification by a resettlement, I beg to point out that a notification to the effect approved in the Board's Proceedings under reference, has to be published in Kistna also as regards the Masulipatam portion of the district.

2. I am sending a copy of this letter for the information and orders of the Board, to whom I have also sent a telegram on this subject today.

I have the honor to be,

Sir,

Your most obedient servant.
