Proceedings of the Board of Revenue
(Land Revenue)

No.1155 Misc.,dated 26th March 1897.

Read the following :-

1. Again Board's Proceedings No.434 Misc.,dated 3rd February 1897. Messrs.
2. Letter from P.L.M.Muthiah Chetty & Co.,dated 14th March 1897. Messrs.
3. Also letter from D.Raju & Co.,No.283,dated 6th February 1897.

Resolution

Submitted to Government.

2. In his letter dated 9th July 1895, No.3269, disposed of in Board's Proceedings, No.4171, dated 20th August 1895, the Collector of Vizagapatam reported that the treasury strong room of his office was inconveniently small and recommended that it should be extended. It appeared that the room, which is 56 ft. long and 20 feet wide, contained 4 almirahs for stamps and one iron safe and 23 wooden boxes for cash, besides 8 other boxes belonging to the Estates under the Court of Wards, and that there was scarcely any room to empty their contents. In para 2 of Board's Proceedings No.4171, dated 20th August 1895, the Board stated that the treasury room could not well be extended and requested the Collector to consider whether the extra space needed might not be found by putting up wooden constructions with shelves (like the large safes) to hold the copper coins.

3. In his letter dated 1st October 1896, R.C.No.4472,

Mr. Horne requested that he might be supplied with iron safes to eco-

nomise space in the strong room. He pointed out that 16 of the wooden boxes in the treasury might be replaced by 3 iron safes

The area occupied by 16 wooden boxes in the treasury

Sq. ft. hold coin Rs. Capacity to
 $16 \times 11 \frac{1}{2} = 180$ $16 \times 1 \frac{1}{2}$ lakhs
 $= 24$ lakhs.

of the dimensions noted in the margin, thus saving a

Area required for 3 iron safes- $3 \times 16' = 48$ 3×8 lakhs
 $4 \times 4 \times 6'$ 132 $= 24$ lakhs.

space of 132 square feet in the strong room. On a further reference

from the Board, the Collector reported that, if copper which might be stored

in wooden chests in imitation of the iron safes, as suggested by the C.

Board in para 2 of Board's Proceedings No. 4171, dated 20th August 1895

were excluded, two iron safes of the description noted in the margin

would suffice, one for storing whole Rupees and the other for half

rupees, quarter rupees, and two anna pieces.

It was estimated that 10 lakhs ($8 \frac{1}{2}$ lakhs

whole Rupees & $1 \frac{1}{2}$ lakhs-small silver) could

be stored in these two safes.

One safe measuring $4 \times 4 \times 6'$ with 2 shelves for whole Rupees
--- Do. --- Do. with 3 shelves for small silver.

The Board accordingly invited tenders from the marginally noted

firms for the supply of two such safes.

Messrs. D. Raju & Co.
" P. L. M. Muthia Chetty & Co.
" Sankaralingam Asari & Co.

Messrs. D. Raju & Co. are willing to supply

them for Rs. 1,000, while P. L. M. Muthia Chetty

& Co. & Sankaralingam Asari demand Rs. 1,375

& Rs. 1,635 respectively. The Board requests that sanction may be ac-

corded for the purchase of the safes from Messrs. D. Raju & Co. for the

price mentioned viz., Rs. 1,000. If this proposal is approved, the con-

dition (suggested by the Inspector General of Registration in para

7 of his letter printed in Government Order No. 460 Judl., dated 2nd

March 1895) will be added, viz., that the safes will be accepted only

on condition that they are pronounced by the Superintendent, Public

Works Workshops to be of the right quality.

5. The charge can be met from the provision of Rs. 2,000 made

for this item in the budget for 1897-98. Vide page 11 of Board's Pro-

ceedings No. 380, dated 7th October 1896.
