Proceedings of the Madras Government.

Read the following:-

Proceedings of the Board of Revenue (Land Revenue) dated 3th March 1897, No. 882 Mis, on the following letter from the Collector of Madura dated 27th February 1897, R. on No. 1101-
Genl:-

The Sub-Collector brought to notice that his --- office record room 50 feet 2 inches by 8 feet 3 inches is incommensurate and strongly urged the necessity for extending the same (vide copy of his letter No. Dis 265 dated 3rd March 1896 enclosed). The Executive Engineer Madura Division who was addressed on the subject writes to say that the extension requires the approval of Government as the cost thereof will exceed Rs. 500. I have the honour, therefore, to request that the Board will be pleased to obtain the sanction of -- Government for the extension of record room and the issue of necessary instructions to the Public Works Department for the preparation of plan and estimate.

Resolution.

Submitted to Government with the recommendation that orders may be issued in the Public Works Department for the preparation of a plan and an estimate for the proposed extension of the record room of the Sub-Collector's office at Dindigal.
